PROPERTY SUMMARY

351 W HORTON RD

Prime Development opportunity in quickly expanding North Bellingham medical campus. Now is the time to join the expanding synergy of supporting businesses joining the area. Central Whatcom County location allows for ease of access from Bellingham and neighboring jurisdictions alike, including Canada. Where medical meets natural beauty supported by trees, trails, paths, and a bridge connecting the property to Cordata Park. Great environment backing Cordata Park creates a destination location for health and well being. Neighboring services including Wellness & Physical Therapies, Radiology, Oncology, Orthopedics, Dermatology, Dental, Family Medicine & Lab Testing.

The Offering

Pad Site is 34,734 SF (short-platted from parent 93,525 SF lot).

Site supports approx. 7,500 SF one-level building.

Flat, shovel ready site with stormwater complete, on-site wetlands mitigated and operational, interior private road with utilities (electrical, water, sewer & gas) and curb cuts extending into the campus.

Shared extra wide entry and parking.

Property connects to park via public easement trail, with a unique bridge adjacent to the property being the northern gateway to the park.

Parcel number reflects parent parcel number & short-plat to occur at closing.

Buyer is in position to save approximately 1.5 years from development timeline due to work completed by Seller (See page 7 for complete list).
