THE OFFERING

AMR Commercial, LLC. is the exclusive representative in the offering of the fee simple interest in **2123-2125 E Street NW, Washington, DC** (the “Property”) located in the heart of Foggy Bottom. The subject Property is a one-story (with small 2nd floor office) plus lower-level retail building consisting of approximately 16,326 gross square feet on approximately 9,202 square feet of land zoned MU-2. The Property is leased by two retail tenants on a triple net basis through June 30, 2025.

VALUE-ADD OPPORTUNITY

2123-2125 E Street, NW offering is an ideal value-creation opportunity. The Property is now well positioned for a new owner to strategically reposition the asset to meet their specific goals. For the shorter-term, higher-yield investor, this asset has outstanding potential retail/entertainment venue potential. For the developer, the intrinsic value of this Property is repositioning as condominiums, apartments or a hotel.

DEVELOPMENT

Per the [MU-2 Zoning](#), the Property could likely be developed into 66,000+/- square feet of either condos, apartments or a boutique hotel. Foggy Bottom has excellent demand for residential condominiums, apartments and hotel properties, which have sold in the immediate area for record prices in recent years. Additionally, due to the historic nature of the Foggy Bottom / GWU submarket, there are very few opportunities for redevelopment at all, let alone with scale.
