

An architectural rendering of a modern industrial building, 803 Park, in Columbia, South Carolina. The building is a long, two-story structure with a white facade and large glass windows. It features dark blue horizontal accents above the windows and a large white roll-up door on the left. The building is surrounded by a green lawn, trees, and a parking lot. In the background, a white pickup truck is parked. The sky is blue with scattered clouds. In the bottom right corner, there is a blue wireframe graphic of a truck, a train, and a ship, connected by lines, suggesting a logistics or transportation theme.

# About the Park

## A MULTIMODAL INDUSTRIAL PARK

Magnus Development Partners is developing 803 Park, consisting of four speculative developments adjacent to the CAE Airport in Columbia, SC. The park can accommodate nearly one million square feet across four buildings for a wide range of users. Two buildings have been constructed and one is under construction with future plans to construct Gateway Two.

# Why 803?

"803 Industrial Park is the Columbia market's most versatile industrial development. We look forward to the economic impact this development will bring to the central South Carolina region, resulting in new businesses and job creation."

**Kevin Werner**  
**Magnus Development**

Up to  
±550,000 SF available

Near FedEx &  
UPS hubs

Location outperforms  
competing sites

Ideal for last-mile  
facilities

3 interstates within  
5 minutes

## Foreign-Trade Zone 127

The Columbia Metropolitan Airport is the Grantee for FTZ 127. Centrally located, FTZ 127 is more flexible than many other FTZ's in the county. It is organized under the Alternative Site Framework program. This designation allows business to activate anywhere within the 16 county region.

### Business Benefits of FTZ 127

- Tenants in 803 Park may be approved by U.S. Customs and Border Protection and the Department of Commerce in 30 – 45 days for FTZ status
- An FTZ designation will allow a business to operate warehouses as a means to reduce operating costs, improve supply chain velocity and manage security at distribution facilities.
- Users can defer, delay or eliminate payment of some duties and taxes on goods manufactured or processed within the FTZ.

# A Multimodal Hub

PLANES, TRAINS, TRUCKS + SHIPS

803 Industrial Park is unique from competing properties in its multimodal capabilities; the park is adjacent to CAE Airport, the UPS regional air hub, the UPS ground hub, FedEx Freight and a Norfolk Southern transload rail terminal. Additionally, the site is 1 mile from I-26 with easy access to surrounding markets via I-77, I-20 and I-95 and within two hours of the Port of Charleston.

## PLANES

Located at the end of the CAE airport runway

CAE Metropolitan Airport and UPS Regional Air Hub  
<1 mile

CLT International Airport  
105 miles

CHS International Airport  
105 miles

## TRAINS

Easy access to Norfolk Southern and CSX rail lines

Norfolk Southern Transload Terminal  
<1 mile

CSX Terminal  
7.5 miles

Inland Port Greer  
110 miles

Inland Port Dillon  
120 miles

## TRUCKS

Direct connectivity to South Carolina's network of interstates

I-26  
1 mile

I-77  
3.2 miles

I-20  
5.6 miles

I-95  
85 miles

## SHIPS

Southeastern U.S. ports link to over 100 foreign ports

Port of Charleston  
115 miles

Port of Savannah  
154 miles

Port of Norfolk  
399 miles

Port of Jacksonville  
285 miles

"There is truly nothing like this development available in the market. The benefits this site will bring to a user are unique in its many transportation and logistics capabilities."

**Chuck Salley, SIOR**  
**Colliers | South Carolina**

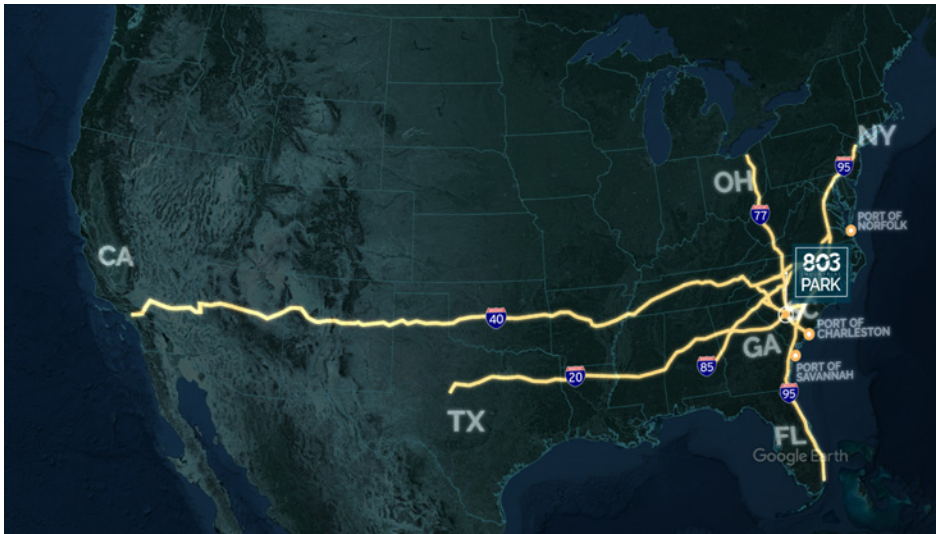

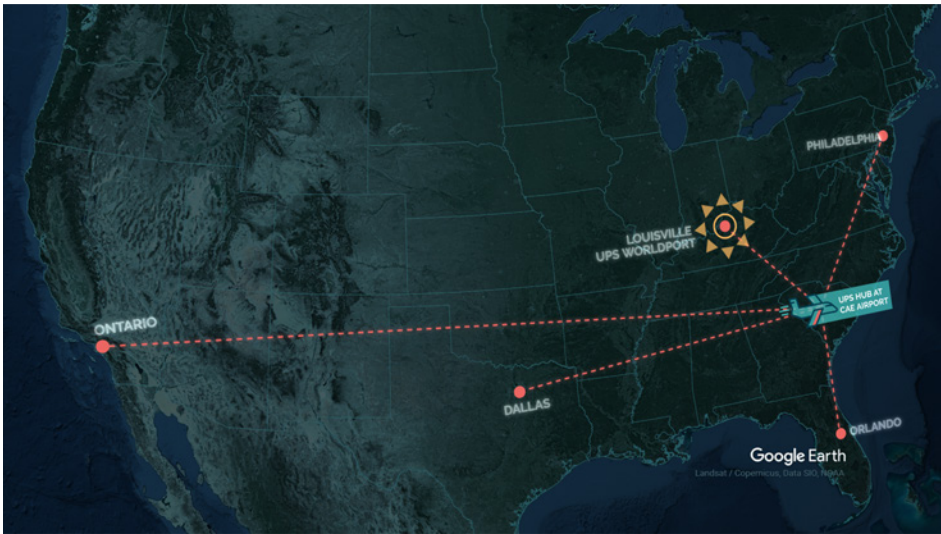

Connected to every major market and port on the East and Gulf Coasts via rail service.

Located 115 miles from the Port of Charleston, the deepest port on the U.S. East Coast. The Port of Charleston is currently investing \$2.8 billion in improvements and directly serves over 100 foreign ports.

66% of the U.S. population is within a day's drive.

Located next to a UPS regional air hub, which connects to Louisville, a UPS Worldport.

In addition, Columbia Metropolitan Airport offers nonstop travel to 8 cities or just one stop to over 400 cities. Over 40 businesses operate on the airport's campus and create a combined total of over 1,871 full time jobs with a direct payroll of nearly \$80 million. Local support of CAE helps the airport continue to put more dollars back into the local economy and it allows the airport to compete for bigger planes, new air service and better fares.

## Base Building Specifications

### BASE BUILDING SHELL

Building size	408,240 SF
Available SF	408,240 SF
Building dimensions	420'x 972'
Construction	Tilt concrete panel
Clear height	36' clear height
Typical bay spacing	54' x 50'
Dock (speed bay) spacing	60' deep
Car parking	320 parking spaces

### TRUCK COURT

Truck loading dock	190' deep truck court
Truck court	8' concrete dolly pad
Dock doors	Thirty-two (32) 9' x 10' dock high doors   Expandable up to 120 doors
Drive-in door	Four (4) (12' x 14') drive-in doors

### EQUIPMENT

7' x 8' 40,000lb. capacity mechanical dock levelers (pit) at dock high OH doors

### FLOORS

- 7" non-reinforced sealed concrete
- Rack loading up to 10,000 lb. Point loading on 6" x 6" base plate
- Sealed with penetrating hardener
- Floor joints filled with joint filler

### WALLS

Tilt-up concrete wall panels

### ROOF

45 mil mechanically fastened TPO roof

### FIRE PROTECTION

ESFR fire suppression system with fire pump

### WATER & SEWER

Sanitary sewer lines	6" sanitary sewer 30' from the inside face of the front of the building
Domestic water line	3" domestic water service including multiple 2" future services stubbed into building

### ELECTRICAL, LIGHTING, HEATING

Electrical	House service including 480/277v 3-phase power and 120/208v single-phase power Service conduits from transformer stubbed into building
Lighting	LED high bay fixtures with motion sensors
Ventilation	1 air change per hour
Heating	Unit heaters for freeze protection of ESFR system only

"Without a doubt, this partnership will capitalize on the expansive, underdeveloped land in and around the Columbia Metropolitan Airport. With the experience and industry knowhow that both Magnus Development Partners and Colliers International bring to the table, the economic possibilities and regional benefits are endless."

Mike Gula  
Columbia Metropolitan Airport
