WORK & UNWIND OUTDOORS

At Riverplace, outdoor space is the ultimate company perk. The campus features a 4-season outdoor plaza which includes a landscaped lawn, multiple lounge spaces and seating options, and a fire pit, all with direct access to the Mississippi River and Grand Rounds Scenic Byway. Overlooking the plaza, the roofdeck on the Link will also offer additional green space, seating, and a grilling station.

THE SPIRIT OF THE NORTHEAST

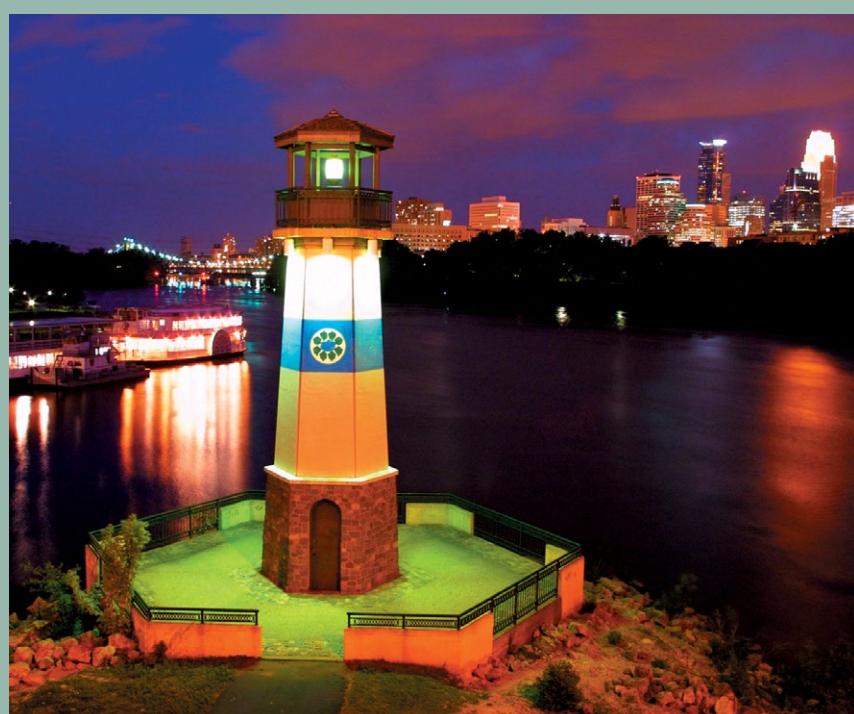

As the city's oldest neighborhood, Northeast Minneapolis has always been a destination, attracting populations new to Minnesota and drawing together diverse communities with offerings for everyone. The Northeast boasts a rich, walkable amenity base featuring abundant art galleries, local brewpubs and restaurants, and convenience retail, as well as access to the riverfront, bike trails, and parks - all creating an urban oasis on the east bank of the Mississippi River.

The Northeast community has been growing, with over 3,000 apartment units that have been recently delivered or are under construction.

Employees, residents, and visitors alike can enjoy efficient access to the CBD and freeways, and best-in-market parking options within the neighborhood.
