## Property Overview

KW Commercial Tampa Properties is proud to present 3804 Gunn Highway, a versatile two-story office building located within the well-maintained One Carrollwood Place office complex in the heart of Tampa's highly sought-after Carrollwood submarket. This professional environment offers an ideal setting for an owner-user or investor seeking a turnkey, move-in-ready commercial asset with strong surrounding demographics and excellent accessibility.

Originally constructed in 1985 and recently renovated, the property features 3,000 SF across two floors, intelligently divided into three distinct office suites (Units A, B & C), allowing for multi-tenant occupancy or full use by a single operator. Recent capital improvements—including a new roof, upgraded electrical systems, and two of four HVAC units replaced—deliver peace of mind and reduced near-term maintenance costs for the next owner.

Perfectly suited for a wide range of professional office uses, this flexible layout can accommodate medical, financial, legal, real estate, administrative, or creative office operations. Each unit includes both open workspace and private offices, offering adaptability for teams of varying sizes, while the building's multi-level design enhances privacy for separate tenants or business functions.

Strategically positioned along Gunn Highway—one of Carrollwood's most active commercial corridors—the property benefits from strong visibility, excellent traffic counts, and immediate access to Dale Mabry Highway, the Veterans Expressway, and the broader Tampa metro. Tenants, clients, and employees alike enjoy the convenience of nearby restaurants, retail centers, banking, and daily-needs amenities within minutes of the site.

This offering presents a rare opportunity to acquire a well-located, recently improved office asset in one of Tampa's most stable and desirable suburban commercial hubs. Whether occupied by an end-user, leased as a multi-tenant investment, or configured as a hybrid owner/investor space, 3804 Gunn Highway combines location, flexibility, and modern functionality in a professional office environment.
