**ABOUT CELINA**

With a current population of over 30,000 people, the City of Celina's population has nearly tripled since 2010. This quick rate of growth makes Celina the fastest-growing city in North Texas.

Situated in high-growth Collin County and nestled between the major arteries of Preston Road to the east and the future Dallas North Tollway to the west, Celina's maximum projected buildout population is approximately 378,000. In other words, Celina is positioned geographically, demographically, and economically to quickly become a big player in the North Texas metropolitan community.

Celina residents enjoy fantastic education options in the highly-rated school districts of both the Celina ISD and the Prosper ISD. In addition, Celina is proud to be home to a 75 acre Collin College campus that offers higher education to northwestern Collin County.
