

Get to Know the Port of Port Angeles

A Great Place to Do Business

Since 1923, the Port of Port Angeles has brought people, resources and industry together to foster living wage jobs and economic prosperity for the people of Clallam County.

Facilities include four industrial marine terminals with capacity for large vessel loading and repair and barging, top-side repair and bunkering services, two marinas, a full-service international airport, and two industrial parks geared to supporting small to medium manufacturing.

The Olympic Peninsula has world-renowned recreational opportunities and a skilled, dedicated workforce.
