Lesley McKnight,

Good morning, this is Carol Edwards Office Manager with the Department of Assessments and Taxation, sorry it has taken this long to get back with you. I am in the office and have been able to locate your parcel East of the of the parcel 0274 on tax map 0023 and grid 0010. That Parcel should be Parcel 0072 and is assessed with the Parcel 0274 with account number 0906036651.

Thank you
Carol Edwards

There is only one tax assessment that is for 5.43 AC and includes both lots shown on the tax map. The area discrepancy in the tax record is an error.

1.8 on bottom left with house marker just to top right is 3.63 ac. Both are 9880 Faith Baptist Church Rd.
