Neighboring properties enjoy the Transitional Zoning designation in the City of Apopka

Apopka Area Zoning and Future Land Use

Important: The Property is currently zoned A-1 by Orange County, Florida. As a result, a prospective buyer will need to annex and rezone the Property to secure commercial use entitlements and access to Apopka utilities.

Map showing the current Future land use designations in Apopka, FL. Due to the [Wekiva Parkway Interchange Plan adopted in 2009](#) as required by the [Wekiva Parkway and Protection Act](#), current published zoning as noted above will be modified to Mixed Use –KPI through the annexation and re-zoning process to conform the new form-based code policy.

Kelly Park Interchange Form - Based Code Area

A large number of the sites within [the Wekiva Parkway Vision Plan](#) area already have a Mixed-Use (MU) future land use designation. The remainder of the properties have the option to apply for the same MU designation or keep their current designation. The zoning district that will implement the MU future land use in this part of the City is the Wekiva Parkway Interchange Mixed-Use Zoning district (Policy 20.21), also referred to as Mixed Use-Kelly Park Interchange (MU-KPI).

Detailed information on the [mixed-use Kelly Park Interchange \(MU-KPI\) designation](#) can be found Apopka Land Development code, Section 10, Appendix A.

Kelly Park Interchange Regulating Plan

The Kelly Park Interchange Regulating Plan is organized around five, character zones: Village Center, Employment, Interchange, Transition and Neighborhood. The regulating plan calls for higher densities and intensities in areas closest to the interchange transitioning into lower densities/intensities as sites get farther away from the interchange to ensure compatibility with the surrounding areas.

The establishment of the Wekiva Parkway Interchange Mixed-Use (renamed to Kelly Park Interchange Mixed-Use) zoning district and associated standards are found in the Land Development Code.

Active Residential Builders in the West Kelly Park Neighborhood:

Lake Ivanhoe Real Estate Group, LLC (LIREG) is a boutique land and commercial real estate brokerage located in and serving the Central Florida markets. Prior notable clients include Dollar Tree, Family Dollar Stores, Sherwin Williams, CVS, Florida Can Industries, United Parcel Service, and a variety of other local clients. Since 2023, LIREG has narrowed its focus to educate and represent both private and institutional property owners seeking personal, specialized commercial representation in the areas of land development, land sales representation, retail site selection and development, and industrial projects.

Chris Stephens, CCIM, MAI has been a licensed Florida real estate broker since 1998. During the same period, Chris was separately licensed as a real estate appraiser and performed real estate appraisals while obtaining his membership into the Appraisal Institute (MAI). He also has obtained his Certified Commercial Investment Member designation (CCIM) designation. In 2009, Chris, together with his business partner, Carlos A. Barrios, P.E., secured private funding and established retail development company focused on single tenant net leased properties. The company, Stephens Barrios Development Company, established and operated with Mr. Barrios was very successful, bringing a variety of special skills real estate skills to national companies seeking to expand their footprint in the Southeastern United States.

Areas of Specialization:

- Vacant Land Sales and Land and Development
- Entitlement and Zoning
- Landlord Representation
- Retail Expansion Consulting / National Companies
- Permitting and Valuation
