The Hut

AREA FEATURES

Part of Silicon Slopes, the Intermountain West's hotbed for the high-tech industry, Provo's population has soared as major employers cluster in the area. As the #1 best-performing economy in the nation in 2017 (Milken Institute) and with the #1 fastest job growth nationally, the Provo-Orem market is a primary cause for the economic accolades Utah has been receiving for the last five years. The region is home to Brigham Young University, a top technology transfer institution. Technology is a major growth factor for the Provo-Orem area.

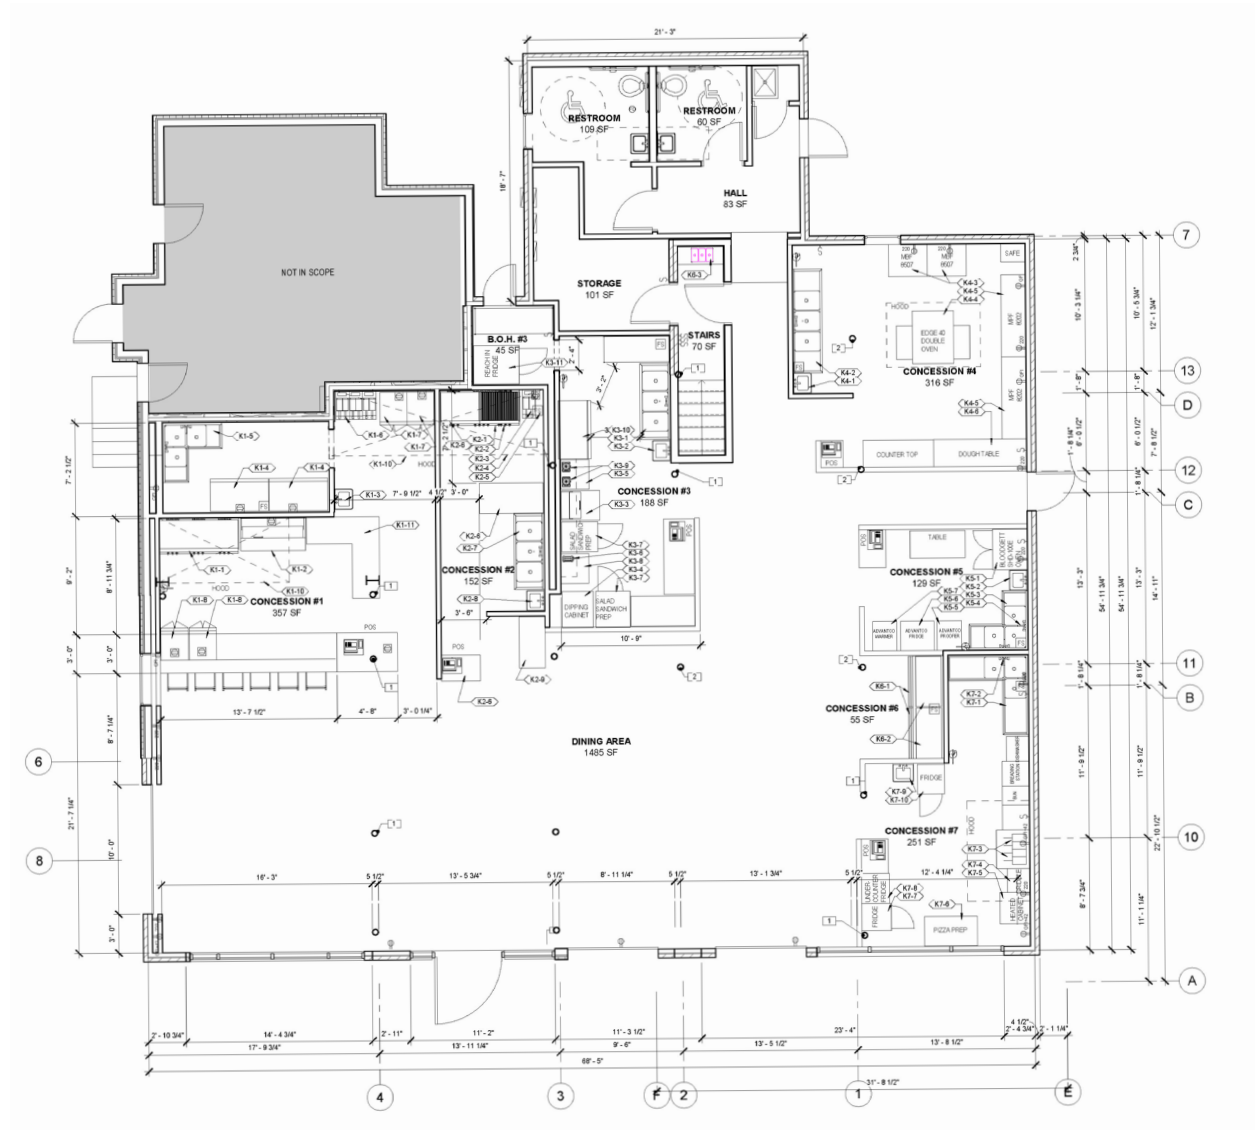

- Utah County is #2 Nationally for Housing Investment (Forbes, 2018)
- Provo-Orem is #1 Best Performing Economy (Milken Institute)
- Salt Lake Metros is #3 Market Nationally for CRE Investment in 2018 (ULI/PwC Emerging Trends in Real Estate 2018)
- Provo is #1 in Economic Growth
- Provo is #4 Best College City in America (WalletHub, 2018)
- Provo is #2 Best City for Millennials (Apartment List)
- Provo is #7 Most Educated City in the Country (WalletHub, 2017)
