# PRIME INDUSTRIAL LOCATION

Introducing the prime industrial redevelopment opportunity at 15191 Bledsoe Street in Sylmar, California. This strategically located 3.72-acre site offers nearly 85,000 square feet of development potential in one of the San Fernando Valley's most established industrial corridors.

This Sylmar industrial site is strategically positioned within the Greater Los Angeles area. Its proximity to major highways, including the Interstate 5 and 210 freeways, ensures seamless transportation connectivity to key markets like Los Angeles, Long Beach, and the Inland Empire.

The property sits in the heart of Sylmar's most thriving industrial districts, offering convenient access to major transportation routes and an extensive network of highways. Its strategic position ensures seamless connectivity to both regional and national markets via the Ports of LA and Long Beach, making it an ideal choice for businesses seeking efficient distribution and operations in a proven industrial submarket.
