Location Information

Castle Rock, Colorado

Castle Rock, Colorado is a fast-growing, affluent community in Douglas County, situated between Denver and Colorado Springs. The area is characterized by high household incomes, and highly educated population, strong family orientation, and robust consumer spending power.

Key Demographic Highlights

Population Growth: The population within a 5-minute drive of 2291 Mercantile St is about 19,600 in 2025, projected to reach 21,255 by 2030. Within 15 minutes, the population is nearly 96,000, demonstrating rapid expansion.

Income: The median household income in 2025 is exceptionally high – \$154,174 (5-minute), \$137,877 (10-minute), and \$148,139 (15-minute). Nearly one-third of households earn \$200,000+ per year, and over 50% earn at least \$150,000.

Household Composition: Most households are families, with average sizes of about 2.7–2.9 persons. Homeownership dominates, with owner-occupied housing rates above 70% across all radii.

Age and Education: The median age is mid- to late-30s. There is a substantial proportion of children and young families. Educational attainment is high: over 60% hold at least a bachelor's degree in many submarkets.

Consumer Spending: Spending indices for apparel, food, healthcare, and entertainment are well above national averages. The median home value is \$646,000–\$709,000 across the local area.

Growth: Both population and household counts are expected to increase at rates above state and national averages through at least 2030.
