PROPERTY DESCRIPTION

Located in the heart of Austin's urban core, 3406 Guadalupe St offers a high-profile land development opportunity with unmatched positioning along one of the city's most trafficked corridors. Situated just blocks from The University of Texas at Austin and immersed in the high-density, youth-driven West Campus submarket, this 0.26-acre parcel boasts unbeatable exposure and foot traffic.

The site's location benefits from a dynamic blend of national and regional tenants, making it ideal for a wide range of retail or mixed-use development concepts. With strong traffic counts, immediate access to transit, and one of Austin's highest walkability scores, this site delivers a compelling opportunity in one of the most supply-constrained corridors in Central Austin.
