LOCATION

The 37 speaks to the quality of the location and is the main interstate exit off I-385 and Roper Mountain Road.

The location is adjacent to The Gateway (I-85 and I-385) Interchange and is across the interstate from Magnolia Park, with convenient access to Woodruff Road and the rapidly growing Verdae corridor. The Greenville CBD is roughly ten minutes but the park itself sits just outside of the City of Greenville classification.

The Park's location to the city's bustling Woodruff Road and growing Magnolia Park is truly a great choice for companies looking for convenient office space with state-of-the-art and high-tech tenant amenities.

GREENVILLE

Greenville is continuously recognized as one of the country's best places to do business and one of the top places to live.

Greenville is located in the Piedmont region of South Carolina at the foothills of the Blue Ridge Mountains. Conveniently located halfway between Atlanta and Charlotte, Greenville is situated along I-85, one

of the busiest interstates in the nation. Continuously ranked for its favorable business climate, low cost of living, top education and unparalleled quality of life, Greenville has much to offer.
