# THE CENTER OF IT ALL

The LG&E Center is one of Louisville's most prominent Class A office towers, strategically located in the heart of Downtown Louisville and easily accessible from I-64 via the 3rd Street ramp. The stunning Class A office building features a beautiful glass and granite facade and offers dramatic views of downtown Louisville and the Ohio River. A large plaza with walled flower gardens and shade trees provides a serene and peaceful setting for casual meetings.

Bordered on the north and south by Main and Market Streets, and on the east and west by 2nd and 3rd Streets, the LG&E Center is steps away from award winning dining, hotels, shopping, and entertainment. Located in the Arena District directly across the street from the KFC Yum! Center, which hosts U of L basketball games and numerous concerts and other events. One block to the south is the Kentucky International Convention Center, which is a hub of activity in the downtown area. Unique attractions such as the Urban Bourbon Trail, museums, sporting events, Fourth Street Live, and the NuLu district are all nearby.
