A Rare Turn-Key Surgical Suite Next to Coral Gables

A fully built-out, ambulatory surgery center is available for lease or purchase at one of Miami's most distinctive commercial addresses. The facility operates four fully equipped operating rooms plus a dedicated procedure room, currently focused on aesthetic and plastic surgery procedures.

The property offers uncommon flexibility, available for lease or purchase, reducing the capital expenditure and regulatory lead time required to establish a premier surgical practice in this market. Inquire about purchasing the current practice.
