RARE REDEVELOPMENT OPPORTUNITY IN DOWNTOWN CASTLE ROCK, COLORADO

Prime redevelopment opportunity in the heart of downtown Castle Rock! This 10,498 SF corner double lot sits prominently at the intersection of Fifth Street and Perry Street, offering outstanding visibility, frontage, and accessibility in one of Castle Rock's most active and walkable areas. Surrounded by a vibrant mix of restaurants, boutique retail, bars, and entertainment venues, this site is perfectly positioned to capture steady foot and vehicle traffic from the thriving downtown corridor. The property's "B" zoning allows for a wide range of business and commercial uses, providing flexibility for redevelopment into retail, office, mixed-use, or hospitality projects. With its high-traffic location, strong local demographics, and proximity to community amenities, this site presents an exceptional opportunity for investors or developers to create a signature project in one of Colorado's fastest-growing and most dynamic downtowns.

CASTLE ROCK, COLORADO

Castle Rock, Colorado, is a charming and fast-growing community nestled between Denver and Colorado Springs. Known for its namesake rock formation that rises dramatically above the town, Castle Rock blends small-town character with modern amenities. The historic downtown area features locally owned shops, restaurants, and cafes, while nearby trails and open spaces provide abundant opportunities for hiking, biking, and outdoor recreation. Residents enjoy a strong sense of community, enhanced by local events, farmers markets, and seasonal festivals that bring people together year-round. The town also boasts excellent schools, beautiful neighborhoods, and easy access to major highways, making it a popular choice for families and professionals alike. With its scenic mountain views, vibrant community spirit, and convenient location, Castle Rock offers a high quality of life in the heart of Colorado.

THE FUTURE OF DOWNTOWN CASTLE ROCK

The Castle Rock Downtown Alliance is a collaborative partnership between the Downtown Merchants Association (DMA) and the Downtown Development Authority (DDA). The DMA focuses on driving visitor traffic and enhancing the downtown experience through high-quality events and community programming, while the DDA concentrates on thoughtful development, investment, and placemaking initiatives. Together, these organizations share a unified vision of creating a vibrant, thriving, and economically prosperous downtown Castle Rock.

DOWNTOWN DEVELOPMENT AUTHORITY

"Focusing on beautification, community amenities, adaptive reuse of space, façade renovations and redevelopment projects"

The Downtown Development Authority (DDA) is a quasi-governmental organization that operates as an extension of the Town and is overseen by a seven-member board appointed by Town Council. The DDA spearheads a wide range of initiatives, including downtown beautification, community amenities, adaptive reuse of existing spaces, façade improvements, and major development projects. To support these efforts, the DDA utilizes tools such as Tax Increment Financing (TIF) to encourage investment and stimulate economic growth within the downtown district.

DEVELOPMENT PROJECTS

1. RIVERWALK

Riverwalk is a two-block residential redevelopment in the heart of Downtown Castle Rock. Spanning both sides of Sellars Gulch along Wilcox Street, it will energize the area throughout the day & night. Adjacent to Festival Park, Riverwalk supports downtown revitalization and, alongside nearby projects, will help redefine Castle Rock's vibrant urban core.

2. MERCANTILE COMMONS

Located at 230 Third Street, the 28,800 SF Mercantile Commons is a mixed-use project offering retail, restaurant, and office space in Downtown Castle Rock. As the first new residential development in the area in many years, it provides a unique live/work opportunity within walking distance of downtown's shops and dining.

3. ENCORE

Encore is a \$72 million mixed-use redevelopment by Confluence in Downtown Castle Rock. The project includes 124 for-sale condos, 30,000 SF of ground-floor retail & office space, & a 600-space parking garage with 300 public spaces. Adjacent to Festival Park, Encore will include added amenities, including a public dog park & civic plaza.

4. CITY HOTEL

The City Hotel project by White Development is an adaptive reuse initiative preserving the historic Old City Hotel while adding a new boutique hotel on the same site. The design features a shared lobby, upscale food and beverage space, and a breezeway connecting the old and new structures. Plans include a rooftop bar, first-floor retail, and a four-story building with a stepped-back top floor to maintain a three-story appearance.
