ABOUT THE TENANTS

UNLOCKED COFFEE ROASTERS

Unlocked Coffee Roasters is a startup coffee roaster, producing specialty coffee and distributing coffee as a wholesaler and retail store. Born in 2018, this company is run by Carlos Camargo CEO and his wife Rocio Salazar, Co-Owner and Marketing Director. Both were born in Colombia, a country known worldwide for some of the best coffees in the world. The name Unlocked Coffee Roasters came from the roasting process. Flavor and aroma inside the coffee bean are discovered, exposed and "unlocked" during the roasting process.

CAROLINA BAUERNHAUS

Carolina Bauernhaus™ is a farmhouse brewery & winery in Anderson, SC. Its award winning hand crafted libations pay homage to the rich agricultural resources of Upstate South Carolina by using locally sourced malt, grains, yeast, hops, vegetables and fruits. The company strives to create a family of unique, award winning beverages that range from traditional pale ales to approachable saisons, New England IPA's, ciders, and meads, to challenging barrel aged sour beers.

LARUE FINE CHOCOLATE

Originating in Pickens, SC, LaRue creates handcrafted, small batch artisan chocolates. By focusing on the most fine ingredients, the chocolatier sources its honey, butter, sea salt and sugar from local, organic providers. The founder, Elizabeth McDaniel, began this venture by turning a chocolate-making hobby into a business. She is a graduate of the Ecole Chocolate with the rank of Maitre Chocolatier.

ABOUT THE TENANTS

EIGHTY TWENTY CAFE

Eighty Twenty is a destination for simple, seasonal, healthy food. The employees believe that what we put into our body has a direct and powerful impact on the health of individuals, communities and the environment. That's why they're building a strong, transparent supply network, why they cook from scratch, and why they're building a community of people who support real food. They're in the business of feeding people, with a goal of changing what that means.

TRUIST CULINARY & HOSPITALITY

Greenville Technical College's Truist Culinary and Hospitality Innovation Center (CHI) brings a unique training facility for workforce development to West Greenville. The location for CHI was chosen for the convenience of nearby residents to attend classes and gain the skills to work in the Upstate's thriving culinary and hospitality industry. CHI is a neighborhood-based venue delivering education, personal interest courses, small business and start-up incubator space, and job training in the heart of the community.
