# Location Overview

## Williston & Burlington, Vermont

The Sonesta Suites Burlington–Williston is located just minutes from Burlington International Airport (BTV), approximately 4.5 miles away, offering a typical drive time of 8–10 minutes. This immediate proximity to Vermont's primary International airport provides convenient access for business travelers, regional corporate demand, healthcare visitors, and leisure travelers year-round.

Williston serves as one of Vermont's strongest commercial corridors, positioned at the crossroads of Interstate 89 and U.S. Route 2. The area functions as a regional retail and employment hub, drawing daily traffic from Burlington, South Burlington, Essex Junction, Colchester, and surrounding Chittenden County communities. Major national retailers, grocery anchors, restaurants, and service-oriented businesses are concentrated nearby, reinforcing consistent lodging demand. The property benefits from close proximity to Burlington, Vermont's largest city and economic center. Burlington is home to the University of Vermont (UVM), the University of Vermont Medical Center (UVMHC), a vibrant downtown waterfront, and a diverse mix of technology, healthcare, education, and professional services employers. The city's Lake Champlain waterfront, cultural institutions, dining scene, Ski Resorts and year-round events contribute to steady leisure and corporate travel.

Together, Williston and Burlington represent the heart of Vermont's most populous and economically active region. The combination of strong highway access, immediate airport connectivity, regional retail concentration, healthcare and university demand, and four-season tourism makes this location particularly well-suited for a nationally branded, select-service hotel or Residential conversion.

**Nearby retail:** Panera Bread, CHASE Bank, Best Buy, Staples, Shaw's Grocery, Healthy Living Food, Pet Smart, LL Bean, Chili's, Longhorn, Texas Road House, Walmart, Home Depot, Hannaford and much more.
