Phoenix - 5th Largest City in the U.S.A

Doing Business in Phoenix

Phoenix continues to outpace national expectations with a unique combination of industrial strength and investment growth. In Q1 2025, the city was officially named the No. 1 industrial market in the U.S., based on leasing volume, tenant activity, and market absorption.

Arizona's manufacturers are global leaders, using next-level technologies and high-tech advancements that are shaping the future of manufacturing in aerospace & defense, semiconductors, battery, electric and automated vehicles, medical devices and much more.

Phoenix is a flourishing community with a young, skilled workforce ready to take on innovative jobs. Over the last decade, Phoenix has exploded to take the spot of 5th Largest City and fastest-growing city of the last decade according to the U.S. Census Bureau.

Phoenix is located close to one of the busiest land crossings in the country and Sky Harbor International Airport is located minutes from Downtown Phoenix and 3865 W Van Buren Street.
