CORRIGAN
STATION

1828 Walnut, Kansas City, MO

corriganstation.com

An urban mixed-use development has emerged on 19th and Main in the heart of Kansas City's Crossroads Arts District.

You need to be part of it.

|| Crossroads culture personified in a location.

Collaborative. Creative. Connected. ||

- Corrigan Station is an office building with street front and lower level retail space available for a unique user.
- Door-step access to the KC Streetcar
- Surrounded by abundant activity from residential developments, hotels, restaurants, nightlife, retail and more
- More than 90,000 SF of space on-site with more than 1,000 daily users
- Walk Score® of 86, Transit Score® of 70
- LEED™ certification with energy-efficient design that includes solar panels and Daikin HVAC

1828 Walnut, Kansas City, MO

corriganstation.com

Located in the heart of the Crossroads Arts District, Corrigan Station is an iconic historic landmark that received a new life as a vibrant, mixed-use destination for tenants and visitors. The site offers prime visibility, great access and connectivity, and desirable co-tenancy – a perfect fit for retailers seeking a **modern space in the heart of the action.**

Corrigan Station is directly in the middle of the Crossroads with easy access to downtown, the Power & Light District and Crown Center via the Kansas City Streetcar line with a stop located immediately outside the building on 19th and Main Street.

Home of First Fridays, The Crossroads Arts District is comprised of more than 40 art galleries, a concentration of creative architectural and design firms, multiple restaurant and retail concepts, nightlife, and one million square feet of hip, urban, and high-tech office space.

|| BE A PART OF THE PARC ||

The PARC is a gorgeous courtyard that connects the new structure and the historic Corrigan Building.
