### PROFESSIONAL BACKGROUND

Jill was born in Illinois and has lived in Central Illinois most of her life. She also lived in Oregon for 10 years during her school years. Jill has over 25 years of experience with client relations, customer service, leadership, event planning, and project management. She is a problem solver, effective communicator, relationship builder, and has strong interpersonal skills.

Before working at SVN Core 3, Jill had the experience of working with the SVN Core 3 team firsthand through her former employer. She explains, "The company I worked for moved to a new commercial building, and the new space required an extensive renovation." Jill got to know the team well during this time and said, "The professionalism, efficiency, and attention to detail that the team upheld throughout the entirety of the project was top-notch."

Because of the lasting impression SVN Core 3 made on Jill, she joined the team as a Commercial Property Manager in February of 2020.

Jill's favorite part of her position is the long-term relationships she builds with tenants, owners, and clients. She also enjoys the search for the perfect property fit for her clients. In addition to her role as our Commercial Property Manager, Jill is a licensed Real Estate Broker with a primary focus on Industrial and Land.

Jill and her husband Bob together have 3 children. They enjoy spending time with family, friends and their yellow lab Bonnie.
