533 N MAIN ST

531-533 N Main St North Canton, OH 44720

## PROPERTY DESCRIPTION

This iconic property in North Canton has been home to Beyesly's, a beloved, family-run establishment in North Canton for over 50 years, known for its warm, friendly service and traditional homemade dishes. This space is offering a prime opportunity to either continue its legacy or bring a fresh concept to the space. With +/-1,600 SF to 3,239 SF available for sale or lease, the property is versatile and ideal for a variety of uses. FF&E (Furniture, Fixtures & Equipment) and the business sale are negotiable, providing flexibility for those looking to maintain the current operation or transform the space to suit new needs. With strong visibility and access in a growing market, this is a unique opportunity.

## PROPERTY HIGHLIGHTS

## LOCATION DESCRIPTION

The North Canton area is experiencing significant growth, making it an ideal location for retail businesses. Just a block away, the new Fire and EMS building at Main and Viking Streets highlights the area's continued investment in infrastructure. The property also benefits from its proximity to the Pro Football Hall of Fame, a nationally recognized destination that attracts a steady stream of visitors, further enhancing business visibility and potential in the area.

Retail space in the North Canton market benefits from high foot and vehicle traffic, drawing increased attention from national retailers and boosting the local economy. The newly constructed Meijer store at Main and Viking Streets is a key attraction, further increasing customer traffic in the area—an advantage for prospective retail tenants. Stark County's thriving commercial environment, expanding amenities, and strong traffic flow make this a prime location for businesses looking to establish or grow their presence. This property offers close proximity to the area's dynamic growth and opportunities.

For office users, while the North Canton office market is somewhat smaller there is still demand for well-situated office properties, especially in the general office and office building categories. The site's proximity to established infrastructure, such as the newly built fire station, adds value in terms of municipal services and safety, appealing to office tenants looking for a secure and thriving location.

For industrial users, while the immediate property is more suited for retail or office use, nearby industrial spaces offer potential synergies. The area has industrial property available for lease, often within short distances from this site. Industrial users who require retail showrooms or office space for administrative purposes could find this site ideal as a satellite office or customer-facing facility while still staying close to industrial hubs.
