BARROW COUNTY

Near the City of Winder, this airport provides general aviation services to local enthusiasts and corporate commuters.

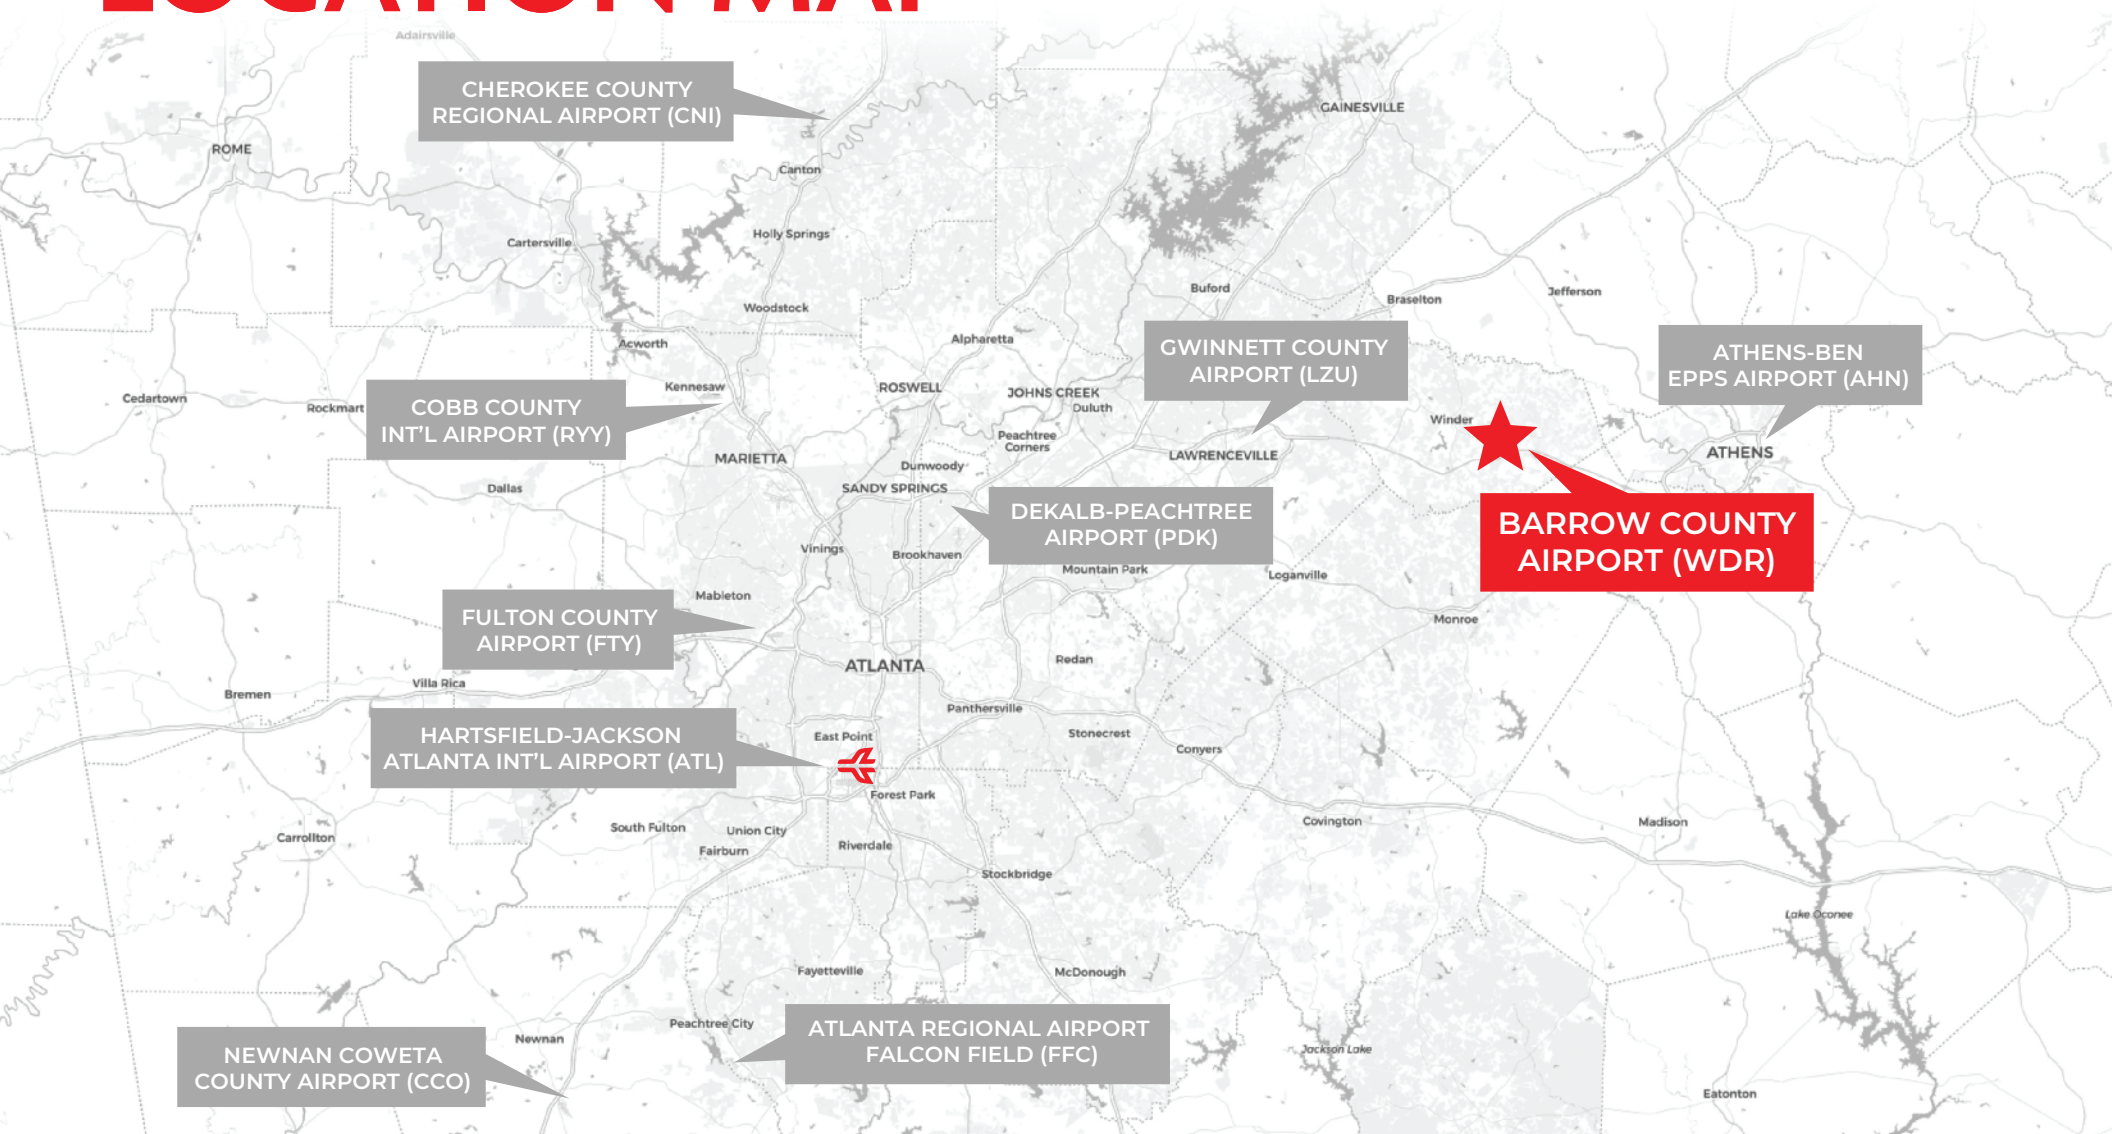

The Barrow County Airport is located three miles east of Winder's central business district, less than five miles north of Georgia Highway 316 which links the Atlanta metro area with Athens. The airport is owned and operated by the Barrow County Airport Authority. The airport has an instrument landing system and two runways - Runway 13-31 which is 5,202 feet long and Runway 05-23 which is 3,607 feet long. To compliment the airside facilities, the terminal facilities include a pilots' lounge, on-site weather reporting, flight planning, and internet access.

Exclusive discounted fuel for owners and tenants.
