*Vision for a Vibrant Neighborhood in the Heart of Bend*

The Bend Central District (BCD) is in the very heart of our growing city. Multiple planning efforts have revealed enormous potential for new jobs and housing in this over-looked area due to its close proximity to essential services and activities. Bend's population is expected to increase 45% by 2035, and with less than one resident per acre in the Bend Central District, there is clear opportunity for revitalization.
