### Property Overview

Located at 140 North Westmonte Drive, this 14,514 SF two-story office building presents an attractive owner-user opportunity within the Orlando market. Positioned one block from a major I-4 interchange, the property offers excellent accessibility for patients, employees, and clients.

A significant portion of the building (56%) is currently leased to United Healthcare Services, Inc. (Optum), a national, creditworthy medical tenant. The in-place lease generates stable rental income that subsidizes the cost of ownership and occupancy for an owner-user, resulting in a materially lower net cost of occupying the building compared to leasing or owning a fully owner-occupied property.

The remaining vacant suites are delivered in shell condition, allowing a buyer to design and build out space tailored to their specific medical or professional use. The property offers an owner-user control of its real estate and long-term equity, with in-place rental income helping subsidize a portion of ownership costs.

*\*Optum Health has 8 reserved parking spaces in rear of building*
