## PROPERTY DESCRIPTION

Now pre-leasing this 10,000 SF flex warehouse within Airport Commerce Center (ECAP zoning). Construction is underway with anticipated delivery in Q4 2026. The project offers flexible unit configurations and the opportunity for tenants to customize interior buildouts during construction. The building can be demised into units as small as 2,500 SF or leased in its entirety at 10,000 SF. Each unit is equipped with 200 amp, 3-phase, 120/208V electrical service and individual metering. Units will be delivered in shell condition with basic overhead and emergency lighting in place, allowing tenants to design lighting and buildouts to meet their specific needs. The building features 12' wide by 14' high overhead doors and a sloped roof design, providing clear heights ranging from approximately 17'4" to 19'5", with eave heights from 18' to 20'1". Exterior construction consists of partial masonry with stucco and metal wall panels above, complemented by a durable metal roof system. Ideal for a variety of industrial, service, and flex users seeking new construction space in a growing commercial corridor.

# AREA OVERVIEW

## LOCATION DESCRIPTION

8429 Northup Drive is located within the rapidly growing Enterprise Charlotte Airport Park (ECAP) in Punta Gorda, adjacent to Punta Gorda Airport (PGD). Ongoing airport expansion, driven in part by Allegiant Air, continues to fuel strong demand for industrial and service users in the area.

The surrounding corridor is experiencing significant growth with new residential communities, multifamily developments, and retail projects, creating a strong workforce and customer base. Convenient access to I-75 and US-17 provides connectivity to Fort Myers and Sarasota, making this an ideal location for both local and regional businesses.
