# The Offering

*LevRose Commercial Real Estate is pleased to present this extremely rare opportunity to acquire an Airplane Hangar Development Site in the Scottsdale Airpark. This end of cul-de-sac lot will provide unobstructed runway & mountain views, and is conveniently positioned with immediate access to the Airport Runway via Gate 5 - which was widened in 2019 to accommodate larger planes. Considered Arizona's beach front property, the scarcity of taxiway land options continues to compress while values have skyrocketed in recent years. Take advantage of this unique trophy aeronautical development occasion and implement your own personal touch on the custom design for your new exclusive private hangar facility.*
