The Landlord pays and is responsible for landscaping and snow removal along with normal garbage pickup and normal HVAC maintenance.

Tenant is responsible for heat, lights, water, sanitary and Internet/telephone/security alarm, if desired. Tenant is responsible for the cost of their sign in the common tenant sign panel. If door signage is requested, it may consist of tasteful white lettering installed by the official sign supplier for the project. Tenant is also responsible for the registration of any business with the village.

Outside storage of any vehicle or property is not permitted. Parking spots are not assigned.

Any modifications, alterations or construction must be approved by the landlord. All modifications will be done to code by the landlord at the landlord's discretion.

First month, last month and a security deposit of one month's rent are due upon signing the lease. A \$25 discount per month is available if your rent is automatically withdrawn from your bank account on the first of every month.
