DETAILS:

- Rare opportunity to acquire both an established dental practice and the real estate it operates from in Yuma, Arizona, offering a turnkey practice with a stable patient base and additional rental income. The practice has been serving the community since 2002 and includes an established patient base of 1,500+ active patients with annual collections of approximately \$700,000+.

The 3,400 square foot professional building sits on approximately 0.452 acres and is configured into two approximately 1,700 square foot suites. The dental practice occupies one suite while the second suite is leased to a dog grooming business generating approximately \$2,500 per month (\$30,000 annually) in rental income.

The dental suite includes four fully equipped operatories with Dexis digital X-ray systems along with a full complement of dental equipment, allowing a buyer to continue operations immediately.

The practice is supported by an experienced team including one full-time hygienist, one part-time hygienist (Monday–Wednesday), two dental assistants, and two front office staff members, providing operational continuity for a new owner.
