HIGH-VISIBILITY RETAIL CORRIDOR WITH DIRECT ACCESS TO I-80

Positioned along Auburn Boulevard near the Interstate 80 interchange, the property sits within one of Sacramento County's longest-standing commercial corridors. Auburn Boulevard historically functioned as part of the original highway connecting Sacramento to Roseville and the Sierra foothills before Interstate 80 was constructed, and today it remains an active retail and service corridor serving the surrounding communities of North Highlands,

Foothill Farms, and Citrus Heights.

The corridor is defined by a practical mix of neighborhood retail, discount stores, restaurants, auto-oriented businesses, and everyday services that cater to the dense residential population surrounding the Watt Avenue and Interstate 80 interchange. Strong daily traffic and direct visibility along Auburn Boulevard provide consistent exposure for retailers seeking affordable space in a highly traveled corridor.

With immediate access to Interstate 80 and Watt Avenue, the location offers convenient connectivity to Downtown Sacramento, Roseville, and the broader Sacramento region. Surrounded by established residential neighborhoods and a steady base of local consumers, Auburn Boulevard continues to function as an important retail spine serving North Sacramento County.
