- Restriction on chicken sales cannot exceed 25% of Tenant's sales
- Pad sits between both Dunkin Donuts and Chick-Fil-A which both have above average national sales
- Already Subdivided
- Close proximity to Washington & Lee University and VMI
- Close to I-64 interchange

ABOUT THE LEXINGTON MARKETPLACE:

Take advantage of an exciting new development opportunity in Lexington, VA! This pad ready site is conveniently located right off the I-64 and I-81 interchange. The 1.40-acre parcel can accommodate a building up to 2,400 square feet, together with a drive-thru. Join Dunkin and the future Chick-Fil-A in this thriving commercial area. Perfect for a quick-service restaurant (QSR), this ready-to-go site offers great potential for success.
