

[illegible]

40137

Floor plan of the 40137 room. The plan includes a large central area labeled "STAGING AREA & RACK FABRICATION". To the right of this area is a "CC&H PARTS CLOSET". Below the staging area, there are several smaller rooms and areas: "QCC BRIAN HEMLER", "CHRIS JAMISON", "MAT AGE", "REST ROOM", "EWAN SMITH" (with dimensions 12' and 15' indicated), and another "REST ROOM". A shaded area at the bottom of the plan is labeled "B".

The floor plan of the Warehouse Area is divided into several functional zones:

- RECEIVING AREA:** Located at the top of the plan, adjacent to the loading dock.
- PACKING BENCH:** A designated area for packing, measuring 3'6" x 8'.
- WAREHOUSE AREA:** The main storage area, measuring 40' x 66'8".
- CELLAR AREA:** A central area containing a table and chairs.
- Storage Units:** Multiple rows of storage units are labeled, including "CUBES 6'0" X 8'0" X 8'0" and "CUBES 6'0" X 6'0" X 6'0".
- HVAC:** A heating, ventilation, and air conditioning unit is located near the top of the warehouse area.
- ENTRY:** A small entry area is located at the bottom left of the plan.
