# BEYOND THE BUILDING

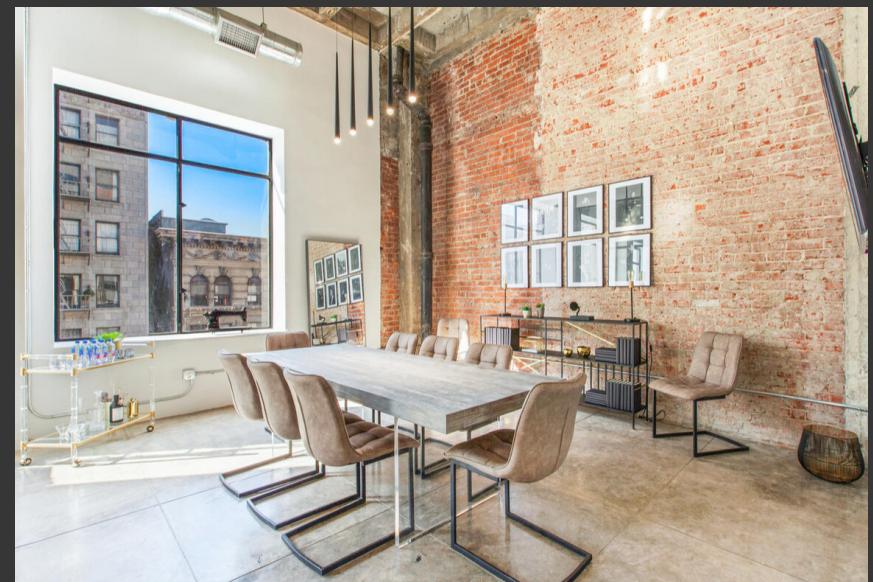

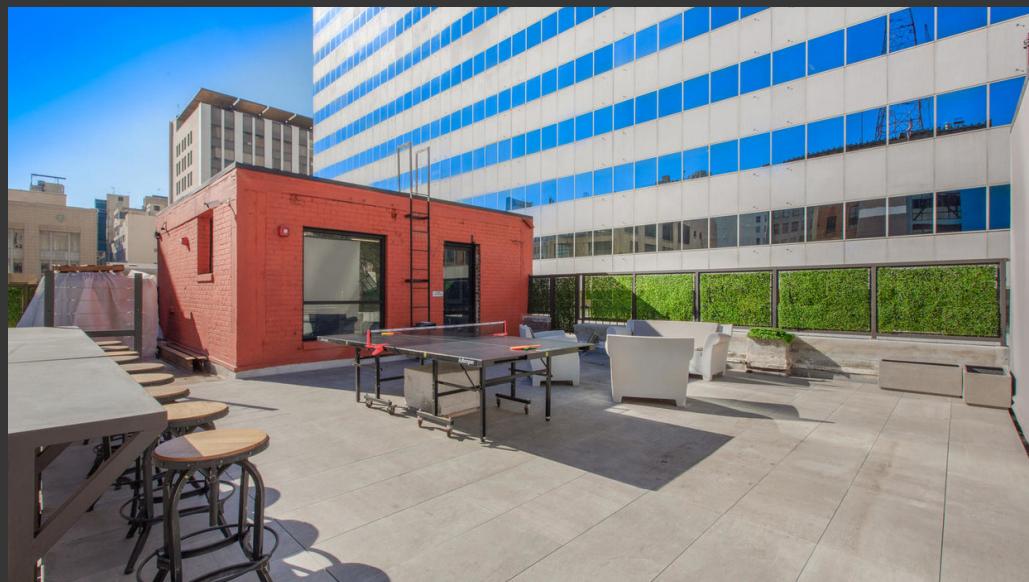

# BRINGING BACK BROADWAY

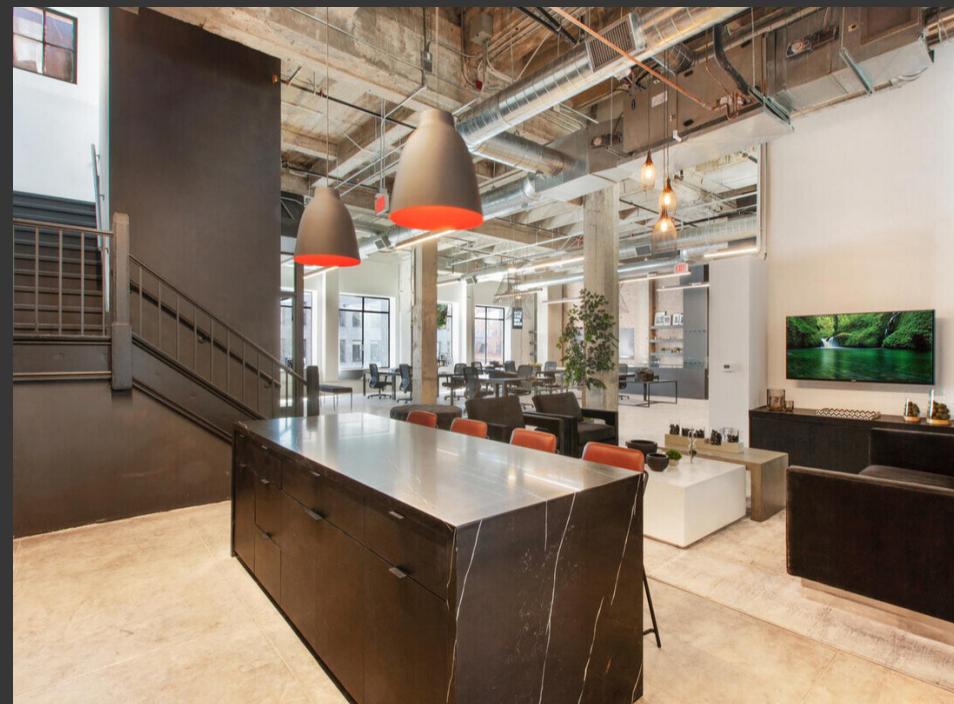

537 S. Broadway is an architecturally significant, six-story building designed by famed local architects Walker & Eisen in the Art Deco and Zigzag Moderne style in 1931. The structure is a Historical Cultural Monument.

King's Arch completed a full renovation and restoration on the 537 Building in 2019 and is proud to have brought it back to its former glory with modern systems and amenities throughout. The building currently boasts a seismic retrofit, 2,000 amps of power, a brand new tenant roof deck, operable windows, private restrooms, fiber data, and more. The building is ideal tech, architects, fashion and media companies looking to be surrounded by the best brands in retail like Apple, Jordan Brands, Theory, Paul Smith, and Vans.
