LOCATION OVERVIEW

Veterans Business Park is located in a very strategic location between I-35 and the Des Moines International Airport. The development benefits from being directly off of the Veterans Parkway interchange. Veterans Parkway runs into Highway 28 (63rd Street) to the north and loops to I-35 to the south.

The SW Connector now runs south via Veteran's Parkway to the northern edge of Cumming before veering west towards Maffitt Reservoir and then heading north over the Raccoon River hooking in with Grand Prairie Parkway and ending at I-80.

Veterans Business Park is located next to Microsoft's \$1.1 billion data center called Project Alluvion. It's a four-phase project that sits on 154 acres and is directly east of the development site. Microsoft bought an additional 146 acres south of Highway 5 for another datacenter project called Ginger East.

Ten-minute drive time to the west mix-master (I-80/35 and I-235), 20-minute drive to east mix-master (I-80/35 and I-235), and ten minutes from Downtown Des Moines.

The utilities in the area allow for Data Center development.

The close proximity to all of Des Moines makes Veterans Business Park a great retail fulfillment center location.
