PARAGON REAL ESTATE

OFFERING

Paragon Real Estate Advisors is proud to present a rare generational investment opportunity in the heart of Tacoma's historic Stadium District. Offered for the first time in over 50 years, the Dreher Apartments (23 units), Hillcrest Apartments (19 units), and Brown Apartments (11 units) represent a unique opportunity to acquire three well-located multifamily buildings totaling 53 units directly across the street from Wright Park, one of Tacoma's most iconic and desirable neighborhood amenities.

Positioned along the park's edge, these classic Tacoma apartment buildings benefit from unobstructed park views, mature tree-lined surroundings, and immediate access to the walkability and lifestyle amenities of the Stadium District and Downtown Tacoma. Residents enjoy proximity to local restaurants, coffee shops, medical centers, transit, and waterfront attractions, making the location highly desirable for long-term tenancy.

The portfolio features three distinct historic brick and character buildings constructed in 1911, 1925, and 1927, showcasing timeless architecture and the craftsmanship characteristic of Tacoma's early 20th century multifamily development. The Dreher Apartments (23 units) were built in 1925, the Hillcrest Apartments (19 units) were built in 1911, and the Brown Apartments (11 units) were built in 1927. These buildings feature spacious floor plans, classic architectural details, and strong structural construction, providing investors with durable long-term assets in a supply constrained neighborhood.

Having been held by the same ownership for more than five decades, the portfolio offers investors the opportunity to acquire well maintained assets with significant operational upside. A new owner has the ability to implement interior renovations, modernize common areas, and optimize rents to align with current market levels, while preserving the historic character that continues to attract tenants to the neighborhood.

With direct adjacency to Wright Park, one of Tacoma's most beloved green spaces, and nestled within the highly sought-after Stadium District, this portfolio is positioned within minutes of Downtown Tacoma, the medical corridor, and major transportation routes. This offering presents investors with the opportunity to control a significant multifamily footprint in one of Tacoma's most established and high-barrier-to-entry neighborhoods.

This first time to market portfolio since the 1970s provides a compelling combination of historical charm, irreplaceable location, stable tenancy, and long-term value creation potential in one of the Puget Sound regions most vibrant and evolving urban markets.

- Opportunity to acquire scale in a supply constrained Tacoma submarket with strong multifamily fundamentals and long-term growth potential

Tacoma is the second-largest city in the Puget Sound region and the third-largest in Washington, located just 30 miles south of Seattle—making it an ideal option for renters seeking more space and value while staying connected to the metro area. As the economic hub of the South Puget Sound, Tacoma offers strong employment opportunities with major employers like State Farm, TrueBlue, DaVita, MultiCare Health System, Franciscan Health System, and Columbia Bank. This makes it especially appealing for professionals looking to live close to work or reduce commute times.

The North U-District is one of Tacoma's most sought-after neighborhoods for renters, particularly young professionals and students. Known for its walkability, the area puts everyday essentials just steps from your door—coffee shops, restaurants, bars, grocery stores, fitness studios, and more. It's a neighborhood where you can truly live, work, and unwind without relying heavily on a car.

Tacoma also offers a vibrant mix of culture and entertainment. Residents enjoy easy access to destinations like Tacoma Art Museum, Museum of Glass, and events at the Tacoma Dome. Outdoor enthusiasts benefit from nearby waterfront parks, trails, and scenic views of the Puget Sound.

With ongoing growth, a strong sense of community, and a balance of urban amenities and natural beauty, Tacoma continues to stand out as a smart and appealing choice for renters in the region
