

1. Property lines and boundary information per PC 8, SL 5. NOT field verified by MLH CIVIL.
2. Field topographic survey performed by MLH CIVIL. Indicated contours per field survey date January 2022.
3. No grading, stripping, excavation, filling or other disturbance of the natural ground cover shall take place prior to approval of an erosion control plan.
4. All areas disturbed by grading shall have temporary vegetative cover provided. (Such cover shall consist of annual grasses or small grains.)
5. Slopes exceeding 4:1 shall have additional protection of mulching to prevent erosion.
6. Manhole covers shall not be covered by grading, sodding, or any other construction operation.
