OVERVIEW

The PIP identifies specific items which we inspected at the Facility which were not in compliance with brand standards and need to be corrected. It is the responsibility of the Owner/Franchisee to review the Brand Standards Manual for a complete description of all standards and to maintain Brand Standards for any areas of the property that are not specifically covered in this PIP.

In addition, you are responsible for ensuring that the Facility is constructed, improved, maintained and operated in compliance with all applicable federal, state and local laws, codes, ordinances and regulations, including but not limited to, the Americans with Disabilities Act and its Accessibility Guidelines. This PIP was based on a random sample inspection of the Facility on the date specified. You may need to take additional actions to meet brand standards or comply with law or, at our discretion, if the condition of the facility changes materially since the inspection date or if the brand standards change.

All items in this PIP are required to be completed no later than the timeframes noted. Time extensions in no way imply a waiver. Failure to comply with specified deadlines for completing items may result in default under your license or franchise agreement and reservation service suspension. All items will continue to be evaluated on condition, appearance and adherence to brand standards through periodic quality assurance inspections. Any items on a future quality assurance inspection that do not meet brand standards will be required to be remedied. Failure to maintain acceptable levels of conditions and appearance and adherence to brand standards may be grounds for default under the Franchise or License Agreement. Prior to the commencement of all work you are required to ensure that you are complying with the most current standards. Please consult your Development Director or noted department with specific questions to comply with the requirements contained in the PIP.

To obtain access to the Brand Standards please visit <https://brandstandards.wyndham.com> and/or contact your Wyndham representative to request temporary Brand Standard Portal access. Your request will be reviewed and processed in a timely manner.
