

## **I.V. RESTAURANT SPACE ON PARDALL FOR LEASE** **Remodeled Space with Hood, Grease Interceptor, Drains. & HVAC** **6580 Pardall Suite B, Isla Vista, CA 93117 Asking \$3.50 / S.F. NNN**

Remodeled 910 s.f. restaurant space is ready for your concept with dual HVAC units, an 8' hood, fire suppression system, grease interceptor (approved by Goleta West Sanitary), mop sink, floor drains, new exhaust fan, and commercial hot water heater.

This space is centrally located on Pardall right by Embarcadero Del Mar and benefits from a high volume of students biking and walking on their way to and from school.

Recently remodeled with upgraded HVAC, lighting, and a functional layout with the kitchen in the back, service area in the middle, and a modest seating area toward the front of the space. It has great signage and visibility and, overall, just needs basic restaurant equipment such as a stove, refrigerator, freezer, and P.O.S. system to start operating. The space was recently approved by the County Health Department, so approving a new concept should be straightforward. The space has handicap accessibility and should be ADA compliant.
