Central Location, Sunshine & Good Company

1195 Eugenia Place sits adjacent to a host of top tech and international companies like Microsoft, LinkedIn, NUSIL Technology, Dako Corporation, BEGA-USA, ProCore, Continental AG, and Gigavac among others.

The property enjoys an optimal location along the US 101 Freeway between Ventura and Los Angeles to the South and Santa Barbara and Carpinteria to the north.

With pristine California beaches, proximity to Santa Barbara Wine Country, abundant options for outdoor recreation, temperate year-round weather, access to an abundance of highly skilled employees — we can go on — it's no surprise many of the most successful businesses in their industry have made the Santa Barbara region their home.

Carpinteria: Central Location, Sunshine & Good Company

Carpinteria is known as one of California's friendliest coastal communities, just 12 miles south of Santa Barbara and 15 miles north of Ventura along US Hwy 101. The Santa Barbara Airport is also a convenient 15 minute drive from downtown Carpinteria. Immediately to the north of Carpinteria lie foothills and a mountain range. Between the foothills and the populated area of the city is a thriving agricultural zone.

Carpinteria is notable for its pristine beaches, fields of flowers and orchards, and community events such as the Avocado Festival. The city is famous for its laid-back, friendly atmosphere where surfers, commuters, youth, and visitors enjoy a wide variety of downtown shopping, dining and recreational activity.

In fact, an array of top tier companies and tech corporations have been drawn to Carpinteria's cool breezes and ready access to skilled employees from throughout California's Central Coast, including as a home, including Microsoft/LinkedIn, NUSIL and ProCore, to name a few.
