

How we partner with brokers

As the largest premium flexible workplace provider, we help modern companies of all sizes be both efficient and effective by creating workplace experiences designed to drive productivity. Leading the industry in performance and customer satisfaction, we make it easy to place your clients in workspaces that fit their needs and keep them happy as they grow.

OUR PRODUCTS

Our premium, flexible workspaces deliver the best of both worlds — the service and flexibility of coworking, plus the privacy and customization of traditional offices.

FOR HYBRID WORKERS

Access

A flexible membership for hybrid workers with open workspace booking and private offices on-demand.

FOR SMALL TEAMS: 1-20

Offices

Move-in ready private offices with access to shared amenities, common areas, and on-demand meeting rooms.

FOR LARGE TEAMS: 15+

Suites

Move-in ready, dedicated suites configured to your needs with private meeting rooms or executive offices.
