Q. "Majority" or "Majority of the Unit Owners" means the owners of more than fifty percent (50%) of the undivided membership in the Association, present and then eligible to vote. Any specific percentage of Unit Owners means that percentage of Unit Owners who in the aggregate own such specified percentage of the entire undivided membership in the Association, present and then eligible to vote.

Section 2. Submission of Property to the Act. The Developer expressly intends to, and by recording this Master Deed does hereby, submit and subject the Parcel and the Property to the provisions of the Horizontal Property Act of the State of Tennessee.

A. Owners' Association. There has been or will be formed an Association having the name "OAK CREEK MEDICAL CENTER OWNER'S ASSOCIATION", a Tennessee not-for-profit corporation, which Association shall be the governing body for all of the Unit Owners, for the maintenance, repair, replacement, administration and operation of the Property, as provided in the Act, this Master Deed, and the By-Laws. The By-Laws for the Association shall be the By-Laws attached to the Master Deed as Exhibit "C" and made a part hereof. The Board of Directors of the Association shall be elected and shall serve in accordance with the provisions of the

By-Laws. The fiscal year of the Association shall be determined by the Board and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be held and applied by it for the use and benefit of Unit Owners in accordance with the provisions of the Master Deed and By-Laws. Each Unit Owner shall be a member of the Association so long as he is a Unit Owner. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be twelve (12); subject to, however, and as modified by Article III, Section 2, herein. Each Unit Owner's respective percentage of ownership interests in the Common Elements shall be as follows: Unit 1 equals 1/12; Unit 2 equals 1/12; Unit 3 equals 1/12; Unit 4 equals 1/12; Unit 5 equals 3/12; Unit 6 equals 1/12; Unit 7 equals 1/12; Unit 8 equals 1/12; Unit 9 equals 1/12; and Unit 10 equals 1/12.

B. Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer, and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subparagraph "C" below. The cost of such services shall be a common expense as defined in Section 9 below.

C. Initial Management Contract. The first Board, appointed as provided herein, shall ratify and approve and Management Agreement between the Association and a management corporation to act as Managing Agent for the Property for a term commencing on the date this Master Deed is recorded, which ratification and approval shall be subject to the By-Laws of the Association. Such Management Agreement/Contract shall be cancelable upon thirty (30) days' notice for good cause and upon ninety (90) days' notice for any reason.

D. Use by Developer. During the period of sale by the Developer of any Units, the Developer and said Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from said Building and Property as may be

required for purposes of said sale of Units. While the Developer owns any of the Units and until each Unit sold by it is occupied by the purchaser(s), the Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units, may use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith.

E. Non-Liability of the Directors, Board, Officers, and Developer. Neither the Directors, Board, Officers of the Association, nor the Developer shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever of such Directors, Board, Officers, or Developer, except for any acts or omissions found by a court to constitute gross negligence or actual fraud. The Unit Owners shall indemnify and hold harmless each of the Directors, Board, Officers, or Developer, and their respective heirs, executors, administrators, successors, and assigns in accordance with the By-Laws.

Section 6. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of the Master Deed or By-Laws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

Section 7. Ownership of the Common Elements. Each Unit Owner shall be entitled to the percentage of ownership in the Common Elements allocated to the respective Unit owned by such Unit Owner as set out in Section 5A hereof. The percentages of ownership interests shall remain constant unless amended pursuant to the reservation set forth herein, or unless hereafter changed by recorded amendment to this Master Deed consented to in writing by the Unit Owners and first mortgagees, except for obvious scrivener's mistakes which Developer may correct without joinder of others. Said ownership interests in the Common Elements shall be an undivided interest, and the Common Elements shall be owned by the Unit Owners in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Common Elements corresponding to said Unit. The undivided percentage of ownership in the Common Elements corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit.

Section 8. Use of the Common Elements. Each Unit Owner shall have the right to use the common Elements (except the Limited Common Elements and portions of the Property subject to leases made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy, and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend to not only each Unit Owner, but also to his agents, servants, tenants, family members, customers, clients, patients, invitees, and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements contiguous to and serving such Unit alone. Such rights to use the Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Master Deed, By-Laws, and Rules and Regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions, or grant easement with respect to parts of the Common Elements, subject to the provisions of the Master Deed and By-Laws. All income derived by the Association from leases, concessions, or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions, or regulations as the Board may adopt or prescribe.

Section 9. Common Expenses. Each Unit Owner, including the Developer, shall pay his proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with the Master Deed and By-Laws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the insuring, maintenance and repair thereof and any and all replacements and additions thereto. Except for his responsibilities as a Unit Owner, as provided herein, Developer shall not have any responsibility for the maintenance, repair, or replacement of any part of the Common Elements after the date this Master Deed is recorded; provided, however, in the event Developer expends any of its own funds for the repair, replacement, or maintenance of any of the Common Elements, Developer shall be entitled to a credit for such sums against any common expenses Developer may be required to pay by virtue of being a Unit Owner. Such proportionate share of the common expenses for each Unit Owner shall be in accordance with his percentage of ownership in the Common Elements. Payment of common expenses, including any prepayment thereof required by contract for a sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the By-Laws. No Unit Owner shall be exempt from payment of his proportionate share of the common expenses by waiver or non use or enjoyment of the Common or Limited Common Elements or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of the common expenses when due, the amount thereof together with interest thereon at the rate of eighteen percent (18%) per annum, or such greater

percentage as may then be permitted under the law of the State of Tennessee, after said common expenses become due and payable, shall constitute a lien on the interest of such Unit Owner in the Property as provided in the Act.

Section 10. Enforcement of Lien. FOR AND IN CONSIDERATION of the privileges, protections, mutual enjoyment, and use of the Common Elements and the premises contained herein, the receipt of which is hereby acknowledged, and any assumption of the obligations by transferees as required hereunder, and to secure the payment of said common expenses, principal, interest, and attorney fees, a lien is expressly retained by the Association on each and every Unit Owner's Unit and prorata interest in the Common Elements (referred to in this paragraph 10 as "property").

An now, for the purpose of better and more effectually securing the payment of said line indebtedness, rendering unnecessary court proceedings for the enforcement of said line in the event of the non-payment of said indebtedness and payments thereof, as they become due, and for the consideration of one dollar paid in cash, receipt of which is acknowledged, the said Unit Owners, their heirs, administrators, and assigns, hereinafter referred to as trustees, hereby transfer and convey unto John T. Blankenship, Trustee, his successors and assigns, the real estate hereinbefore described, with the appurtenances, estate, title, and interest thereto belonging upon the following uses and trusts:

Trustors agree to pay their prorata share of common expenses when due and further agree to pay all taxes and assessments thereon, general or special, and to pay them when due, and, upon demand of said trustee or the lawful owner and holder of said indebtedness, to pay, discharge, or remove any and all liens (except a first mortgage or deed of trust) which may be hereafter placed against said property and which shall adversely affect the lien of this instrument or enforcement of the terms and provisions hereof; to keep the improvements on said property in good repair and preservation; and in case the trustee or his successors or the lawful owner and holder of said indebtedness shall hereafter be required to appear in any court or tribunal to enforce or defend the title to or possession of said property or the lien of this instrument, or to appear in any court to prove the above indebtedness, all the costs and expenses of such appearance or proceedings, together with a reasonable attorney's fee, shall be allowed and be payable by trustors upon demand of the trustee or lawful owner or holder of said indebtedness; and, upon failure to do any of these things, then said trustee, or the lawful owner and holder of said indebtedness may do any or all

of these things, and the amounts so paid shall bear interest at the rate of eighteen percent (18%) per annum, or at the then highest contract rate of interest then legally collectible in the State of Tennessee from the date of payment shall be and become a part of the indebtedness secured hereby.

Now, if trustors shall pay their prorata share of common expenses aforesaid when due and pay any and all sums when due, as aforesaid, then this trust conveyance shall be of no further force or effect. But if said indebtedness, or any payment thereof, or interest thereon is not paid promptly when due, or if, failing to pay said other sums when due as herein provided, trustors fail to reimburse the trustee, or lawful owner and holder, of said indebtedness for all sums, with interest, so expended by said trustee, or lawful owner and holder, of said indebtedness within thirty (30) days from date of such payment, this trust conveyance shall remain in full force and effect, and the said trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty (20) days' notice by three (3) publications in any newspaper, daily or weekly, published in Rutherford County, Tennessee, to sell said property at the front door of the Courthouse in said county to the highest bidder for cash, at public outcry, free from the equity or right (statutory or otherwise) or redemption, homestead, dower, spouse's elective share, and all other exemptions of every kind, which are hereby expressly waived; and the said trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid at any sale under this trust conveyance. The trustee may, at any time after default in the payment of any of said indebtedness, enter and take possession of said property, and shall only account for the net rents actually received by him. It is further agreed that in the event the trustee fails, before selling said property as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the trustee of a deed for said property. In case of sale hereunder, the proceeds will be applied by the trustee as follows:

First, to the full and complete satisfaction of the interest of the first mortgage holder, unless arrangement have been made for the assumption of the first mortgage by the subsequent purchaser.

Second, to the payment of all costs, charges and expenses of executing this conveyance and enforcing said lien as herein provided; also, reasonable attorney's fees for advice in the premises or for instituting or defending any litigation which may arise on account of the execution of this conveyance or the enforcement of said lien; also, the expenses of any such litigation.

Third, to the payment of all taxes which may be unpaid on said premises.

Fourth, to the payment of all unpaid indebtedness herein secured and any and all sums expended in the protection of said property, as herein authorized.

Fifth, the residue, if any, to be paid to trustor(s) legally entitled thereto, their order, representatives or assigns.

In case of the death, absence, inability, or refusal to act of said trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the lawful owner and holder of said lien is hereby authorized and empowered to name and appoint a successor to execute this trust by an instrument in writing to be recorded in the Register's Office for Rutherford County, Tennessee, and the title herein conveyed to the above named trustee shall be vested in said successor.

The word "trustors" when used herein shall apply to parties both singular and plural.

This transfer and conveyance and the lien for common expenses payable by a Unit Owner which is secured by the transfer and conveyance shall both be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, regardless of whether the first mortgage or deed of trust was recorded before or after this instrument, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the mortgagee or beneficiary accepts a conveyance of any interest therein (other than as security) or forecloses its mortgage or deed of trust. While the lien for assessments may be extinguished, the personal indebtedness therefore shall remain and be the personal obligation of the Unit Owner who owned the Unit when the assessment came due. Any delinquent assessments (after lien extinguishment) may be reallocated and assessed among all Units as a common expense. This subparagraph shall not be

amended, changed, modified, or rescinded without the prior written consent of all first mortgagees and beneficiaries of record.

Section 11. Mortgages and Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for his respective Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create, or cause to be made or created, from the date hereof any mortgage, deed of trust, or other lien on or affecting the Property or any part thereof, except only to the extent of his own Unit and the respective percentage interest in the Common Elements corresponding thereto.

ARTICLE II

PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Unit, subject to the following provisions:

A. The right of the Association (acting by and through the Board) to permit the use of and to charge reasonable fees for the use of any facility situated upon the Common Area.

B. The right of the Association (acting by and through the Board) to suspend the voting rights and right to use of the Common Elements and limited Common Elements by an Owner for any period during which any assessment against his Unit remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations.

C. The right of the Association (acting by and through the Board) to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless an instrument signed by at least two-thirds (2/3) of the Members agreeing to such dedication or transfer has been recorded.

D. The right of the Association (acting by and through the Board) to grant private access and/or private utility or drainage easement to private

individuals or entities to serve neighboring properties.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws, his rights or enjoyment of the Common Area and facilities to the members of his family, his tenants, or contract purchasers of the Property. Membership in the Association may not be conveyed separate from ownership in the Unit.

Section 3. Parking Rights. Ownership of each Unit shall entitle the Owner or Owners thereof to the exclusive use of the automobile parking spaces assigned and/or designated for each Unit on the Parking Space Survey attached hereto, incorporated herein by reference and labeled Exhibit "D," which shall be as near as and convenient to said Unit as reasonably possible, together with the right to ingress and egress in and upon said parking area. The Association shall have the authority to alter these parking spaces and to promulgate parking regulations and make parking space assignments and designations. Such parking spaces shall be deemed Limited Common Elements serving exclusively the Unit designated. The maintenance and repair of said parking spaces shall be a common expense borne by the Association and not by the Unit Owners served by this Limited Common Element. Owners and employees, unless permitted in writing by the Association, shall not be allowed to use visitor parking, especially those parking spaces directly in front of and contiguous to the units.

Section 4. Associations' Right of Entry. The authorized representatives of the Association or the Board shall be entitled to reasonable access to the individual Units as may be required in connection with the preservation of any individual Unit, or in the event of an emergency, or in connection with maintenance, repairs, or replacements within the Common Elements, or any equipment, facilities, or fixtures affecting or serving other Units or Common Elements, or to make any alteration required by any governmental authority.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

Section 1. Every Owner of a Unit which is subject to a lien for assessments shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Unit which is subject to assessment.

Section 2. The Association shall be comprised of members who shall be all the owners of the Units. Each member shall be entitled to one (1) vote per each Unit owned, except for the

owner of Unit 5, who shall have three (3) votes. When more than one (1) person holds an interest in a Unit, all such persons shall be members. The vote for such Unit shall be exercised as they determine but in no event shall more than one (1) vote be cast with respect to any Unit.

ARTICLE IV

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Developer, for each Unit owned within the Properties, hereby covenants, and each Owner, for any Units by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

A. Annual assessments or charges.

B. Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fee due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the Owners and users of the Properties, and in particular for the acquisition, improvement, and maintenance of properties, services, and facilities devoted to this purpose, or for the use and enjoyment of the Common Area, including but not limited to the costs of repairs, replacements and additions, labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the By-Laws, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

Section 3. Payable Annual Assessment. The Board of Directors shall fix the payable annual assessment subject to the provisions of Section 6 & 7 of this Article.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessment authorized above, the Association may levy, in any calendar year, a special assessment applicable to that year only for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of a majority of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Units and may be collected on a monthly basis, without additional fee or cost to such Members paying on a monthly basis.

Section 5. Notice and Quorum for any Action Authorized Under Sections 3 and 5. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and/or 5 shall be sent to all Members no less than thirty (30) days nor more than sixty (60) days in advance of the meeting and shall state the purpose of such meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all votes of the Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Rate of Annual Assessment. Annual assessment shall be fixed at a uniform rate for all Units and may be collected on a monthly basis. All expenses ("fixed costs") which are allocated equally on a fixed basis between Units shall be billed directly to the Unit Owner of the Unit which directly benefits from the expense. In such event, the Association shall bill such Unit direct to the Unit Owner who is directly benefitted thereby, and such assessment shall receive the benefit of the lien to the Association reserved herein in the event it is not paid when billed and due. All expenses which the Board shall determine in its absolute discretion to be fixed costs shall be so assessed; all other common expenses shall be allocated and paid by Unit Owners on the same basis as their prorata ownership of the Common Elements.

Anything herein to the contrary notwithstanding, the responsibility and manner of payment of common expenses by the Developer shall be as follows:

A. No assessments shall be due or payable on any Unit constructed by Developer until a Certificate of Use and Occupancy has been issued by the appropriate municipal authority.

B. Between the time that such Certificate of Occupancy has been issued and until such Unit is actually occupied (or sold to an Owner/Occupancy), the assessment shall be twenty-five percent (25%) of the normal and otherwise uniform assessment.

C. After the Unit has been actually occupied or sold to an Owner/Occupant, the full assessment shall become due and payable thereafter.

The books and records for the Association will be kept in such a manner that it is possible to determine and ascertain such sums as are expended by the Association and for what purpose such sums were expended.

Section 7. Date and Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Units on the first day of the month following the conveyance of the first Unit sale. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days in advance of each annual assessment period, the Board of Directors shall fix the amount of the annual assessment to every Owner subject thereto. Written notice of such assessment shall be sent to every Owner subject thereto at least thirty (30) days in advance of each annual assessment period. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an Officer of the Association setting forth whether the assessments on a specified Unit have been paid. A properly executed certificate of the Association as to the status of the assessments on a Living Unit is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at eighteen percent (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Property, and interest, costs, and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessments. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Area or abandonment of his Unit.

Section 9. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Unit shall not affect the assessment lien or liens provided for in the preceding section. However, the sale or transfer of any Unit which is subject to any first mortgage or deed of trust, pursuant to a

foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as the payment thereof which become due prior to such sale or transfer (provided that such unpaid assessment shall be reallocated among the other Units). No such sale or transfer shall relieve such Unit from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. All property dedicated to and accepted by a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Tennessee shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments in any case.

ARTICLE V

MAINTENANCE, REPAIRS, AND REPLACEMENTS

Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to, and replacements within his own Unit or exclusively serving his own Unit except for the parking spaces defined under Article II, Section 3 of this Master Deed, or the Board may cause the same to be done at the expense of the Unit Owner. Maintenance of, repairs to, and replacements within the Common Elements, except those referred to in the preceding sentence, shall be the responsibility of and shall be furnished by the Association. The cost of maintenance of, repairs to, and replacements within the Common Elements shall be part of the common expenses, subject to the By-Laws, Rules and Regulations of the Association. The expenses for the maintenance to, repair of, or replacement of a Unit's Limited Common Elements shall be born by the Owner of the Unit to which such Limited Common Elements are appurtenant, except for the parking spaces defined under Article II, Section 3 of this Master Deed; and at the discretion of the Board, maintenance to, repairs of, and replacements within the other Limited Common Elements may be assessed in whole or in part to Unit Owners benefitted thereby, and, further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefitted by such maintenance of, repairs to, and replacement within the Limited Common Elements to arrange for such maintenance, repairs, and replacement in the name and for the account of such benefitted Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such indemnities, lien waivers, and contractor's and subcontractor's sworn statements as may be required to protect the Property from all furnisher's, mechanics' or materialmen's lien claims that may arise therefrom.

If, due to the act or neglect of a Unit Owner or his agent, servant, employee, tenant, family member, invitee, licensee, patient or client, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repair, or replacement are required which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair, and replacement, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier.

The authorized representatives of the Association, Board, or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units and Limited Common Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs to, or replacements within the Common Elements, Limited Common Elements, or any equipment, facilities, or fixtures affecting or serving other Units, Common Elements, and Limited Common Elements, or to make any alteration required by any governmental authority.

ARTICLE VI

PARTY WALLS

Section 1. General Rules of Law Apply. Each wall which is built as a part of the original construction of the Units upon the Properties and placed on the dividing line between Units shall constitute a party wall; and to the extent to which it is inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use by each Owner.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use by each Owner without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provisions of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

ARTICLE VII

INSURANCE

Section 1. Casualty Insurance on Insurable Area. The Association shall keep all insurable improvements and fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof and may obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property, whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of and the proceeds thereof shall be payable to the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are common expenses included in the Common Assessments made by the Association.

In addition to casualty insurance on the Common Area, the Association, through the Board of Directors, may elect to obtain and continue in effect on behalf of all Owners adequate blanket casualty and fire insurance in such form as the Board of Directors deems appropriate in an amount equal to the full replacement value, without deduction for depreciation or coinsurance, of all of the Units, including the structural portions and fixtures thereof, owned by such Owners. Insurance premiums from any such blanket insurance coverage and any other insurance premiums paid by the Association shall be a common expense of the Association to be included in the regular Common Assessments of the Owners, as levied by the Association. The insurance coverage with respect to the Units shall be written in the name of and the proceeds thereof shall be payable to the Association as trustee for the Owners.

The Board shall have the authority to and shall obtain insurance for the Property, exclusive of the additions within, improvements to, and decorating of the Units or Limited Common

Elements by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief, and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and the Units, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, Units, or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of and the proceeds thereof shall be payable to the Board of the Association as the trustee for each of the Unit Owners in direct ratio to said Unit Owner's respective percentage of ownership in the Common Elements, as set forth in the Master Deed, and for the holders of mortgages on his Unit, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against individual Unit Owners. The premiums for such insurance shall be a common expense; however, at the option of the Board and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner for his Owner for his Unit and his corresponding percentage of ownership in the Common Elements.

In the event of damage to or destruction of the Building as a result of fire or other casualty covered by insurance (unless more than two-thirds (2/3) of the Building requires reconstruction), the Board shall, in its sole and absolute discretion and without intervention of any Unit Owner, determine and arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings, and Common Elements substantially in accordance with the original plans and specifications therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners directly affected by the damage in a fair proportion deemed by the Board in its absolute discretion. The Board shall determine in its absolute discretion which Unit Owners are "directly affected" by the casualty, as long as its determination bears a reasonable relation to actual events. The Board shall not be responsible for the repair, replacement, or restoration of any improvements, betterments, wall, ceiling or floor decorations or covering, or furniture, furnishings, fixtures, appliances, or equipment installed in the Unit by a Unit Owner or Occupant unless insurance therefor is specifically provided for in the insurance policy obtained by the Board.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of all the Buildings and/or Common Elements are destroyed or damaged by fire or other casualty, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners, the insurance proceeds shall be delivered to the Unit Owners of their

Mortgagees, as their interests may appear, in proportion to the percentage interest of each Unit Owner in the Common Elements; and the Board, as soon as reasonably possible and as agent for the Unit Owners, shall sell the Property, in its then condition, free from the effect of this Master Deed, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale and the net proceeds of all insurance policies shall thereupon be distributed to the Unit Owners or their Mortgagees, as their interest may appear, in proportion to the percentage interest of each Unit Owner in the Common Elements. If the Board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Managing Agent or the Board shall, or if they do not then any Unit Owner or Mortgagee may, record a sworn declaration setting forth such destruction and reciting that under the provisions of this Master Deed, the prohibition against judicial partition provided for in this Master Deed has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Declaration shall terminate.

Reconstruction also shall not be compulsory where the hole or more than two-thirds ($2/3$) of the Building is destroyed as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners and first mortgagees affected, the net proceeds of insurance policies shall be divided among all the unit Owners and first mortgagees affected by the casualty in proportion to their respective interests, as determined in the sole discretion by the Board, after paying from the share of each affected Unit Owner or first mortgagee, as their interest may appear, the just amount of any unpaid liens on his Unit in the order or priority of such liens. Provided, however, that no such disbursement of the aforesaid insurance proceeds to any Unit Owner shall occur unless simultaneously with such disbursement each affected Unit Owner delivers to the Board a recordable deed quitclaiming his interest in his Unit or affected portion thereof to the Board (as trustee for the remaining Unit Owners) and also delivers to the Board a recorded release of any liens on his Unit or affected portion thereof. Upon the recording of the aforesaid deeds and releases, each such Unit or affected portion thereof shall be deemed thereafter to be Common Elements. Upon the withdrawal of the Unit or portion thereof, the percentage of interest in the Common Elements appurtenant to such Unit or portion thereof shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of a Unit is withdrawn, the percentage of interest appurtenant to that Unit shall be reduced accordingly as determined by the Board. After the Board has effected any such withdrawal, the responsibility

for the payment of future assessments for any such withdrawn Unit or portion thereof shall cease.

In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the institutional holder of any first deed of trust or mortgage on a Unit will be entitled to timely written notice of any such damage or destruction, and no provision of any document establishing the Property will entitle the Owner of a Unit or other party to priority over such institutional holder with respect to the distribution to such Unit of any insurance proceeds.

The Board shall also have authority to and shall obtain comprehensive public liability insurance in such amounts as it deems desirable and workmen's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, mortgagee of record, if any, the association, its Officers, Directors, Board, and employees, the Developer, and the Managing Agent, if any, from liability in connection with the Common Elements. The premiums for such insurance shall be a common expense. However, at the option of the Board and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit owner for his corresponding percentage of ownership in the Common Elements. The Board shall retain in safe-keeping any such public liability policy for fifteen (15) years after the expiration date of the policy.

The Board shall also have authority to and shall obtain such insurance as it deems desirable, in such amounts, from such sources, and in such forms as it deems desirable, insuring the Property against casualty and any loss (including loss of rents), and each member of the Board, Officer of the Association, and member of any committee appointed pursuant to the By-Laws of the Association from liability arising from the fact that said person is or was a Director or Officer of the Association or member of such a committee. the premiums for such insurance shall be a common expense.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of his own Unit and the Limited Common Elements serving his Unit, as well as his additions and improvements thereto, decorating, furnishings, fixtures, personal property therein, and personal property stored elsewhere on the Property. In addition, in the event a Unit owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

Section 2. Deficiency Assessment. In the event of damage to or destruction of any part of the Common Area Improvements, the Association shall repair or replace the same from the insurance proceeds available. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may make a Reconstruction Assessment against all Unit Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other Common Assessments made against such Unit Owner. In the event that the Association is maintaining blanket casualty and fire insurance on the Living Units, the Association shall repair or replace the same from the insurance proceeds available.

Section 3. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the property which may have been damaged or destroyed.

Section 4. Notice to First Mortgagees. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the institutional holder of any first deed of trust or mortgage on a Unit will be entitled to timely written notice of any such damage or destruction, and no provision of any document establishing the Property will entitle the Owner of a Unit or other party to priority over such institutional holder with respect to the distribution to such Unit of any insurance proceeds.

Section 5. Other Insurance. The Board shall also have authority to and shall obtain any other insurance coverage, including comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance as it deems desirable, including each Unit Owner, Mortgagee of record, if any, the Association, its Officers, Directors, Board, and employees, the Developer, and the Managing Agent, if any, from liability in connection with the Common Elements. The premiums for such insurance shall be a common expense. However, at the option of the Board and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner for his corresponding percentage of ownership in the Common Elements.

ARTICLE VIII

USE RESTRICTIONS

Section 1. Land Use and Building Type. No Unit shall be used except for commercial purposes directly related to the

practice of medicine or dentistry or the providing of home medical services, except that the Developer may use a Unit as a sales and/or rental office. No other type of use, including retail, shall be allowed unless approved in writing by the Association. The practice of medicine is defined as that practiced by medical doctors and doctors of osteopathy and does not include chiropractors or acupuncturists. Section 13. Storage Area. Each Owner shall keep his storage area in a neat and orderly condition with all storage area completely enclosed. No Owner shall store any toxic or flammable material of any type without the express written consent of the Association.

Section 14. Recreational Vehicles. There shall be no parking of recreational vehicles, including but not limited to camping trailers, boats, motor homes, and the like on the property.

Section 15. Commercial Vehicles. The Association shall have the power to adopt Rules and Regulations concerning the parking of all commercial vehicles on the Properties, Common Area, or individual Units.

Section 16. Wiring. No Unit Owner shall overload the electrical wiring in the Building or operate any machines, appliances, accessories, or equipment in such manner as to cause, in the judgment of the Board, an unreasonable disturbance to others, or connect any machines, appliances, accessories, or equipment which might or could overload the heating or plumbing system, without the prior written consent of the Board.

Section 17. Use and Occupancy Restrictions. Subject to the provisions of the By-Laws, no part of the Property may be used

for purposes other than those set out in Section 1 of this Article and the related common purposes for which the Property was designed and as allowed by municipal zoning laws.

No Unit in the Property may be partitioned or subdivided without the prior written approval of the Board and the prior written approval of the holder of any first deed of trust or mortgage lien on such Unit.

The Common Elements shall be used only by the Unit Owners and their agents, servants, employees, tenants, family members, customers, clients, patients, invitees, and licensees for access, ingress to, and egress from the respective Units and for such other purposes incidental to use of the Units; provided, however, that any areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance, and operation of the Common Elements shall not be obstructed, damaged, or unreasonably interfered with by any Unit Owner and shall be subject to any lease, concession, or easement presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

During the period of sale by the Developer of any Units, the Developer and said Developer's agents, employees, contractors, and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to, and egress from said Buildings and Common Area as may be required for purposes of said sale of Units. While the Developer owns any of the Units and until each Unit sold by it is occupied by the purchasers, the Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office and may maintain customary signs in connection therewith.

Section 18. General. Each Unit Owner shall maintain his Unit in good condition and in good order and repair, at his own expense, and shall not do or allow anything to be done in his Unit which may increase the cost or cause the cancellation of insurance on other Units or on the Common Elements. No Unit Owner shall display, hang, store, or use any equipment, products, supplies, articles or materials of any kind outside his Unit or which may be visible from the outside of his Unit (other than draperies, curtains, or shades of a customary nature and appearance, subject to the Rules and Regulations of the Board), or paint or decorate or adorn the outside of his Unit, or install outside his Unit and canopy or awning, outside radio or television antenna, C.B. radio transmitters, or other equipment, fixtures, or items of any kind without the prior written permission of the Board. ARTICLE IX

EASEMENTS

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded Plat. Within these easements, no structure, planting, or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements.

ARTICLE X

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of the Declaration. Failure by the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of the covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

If any provision of the Master Deed or By-Laws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Master Deed and the By-Laws and of the application of any such provision, section, sentence, clause, phrase, or work in any other circumstances shall not be affected thereby, and the remainder of this Master Deed and the By-Laws shall be construed as if such invalid part was never included therein.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be changed, modified, or rescinded during the first thirty (30) year period by an instrument in writing setting forth such change, modification, or rescission, signed by not less than sixty-seven percent (67%) of the Unit Owners and acknowledged, and thereafter by an instrument signed by not less than fifty percent (50%) of the Unit Owners, provided that no amendment shall alter any obligation to pay ad valorem taxes or assessments for public improvements as herein provided, or affect any lien for the payment thereof established herein, and provided that all lien holders of record have been notified by certified mail of such change, modification, or rescission and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument. Any amendment must be properly recorded.

However, if the Act, the Master Deed, or the By-Laws require the consent or agreement of all Unit Owners or if all lien holders for any action specified in the Act or in this Master Deed, then any instrument changing, modifying, or rescinding any provision of this Master Deed with respect to such action shall be signed by all the Unit Owners or all lien holders or both as required by the Act or this Master Deed. The change, modification, or rescission, whether accomplished under either of the provisions of these paragraphs, shall be effective upon recording of such instrument in the office of the Register of Deeds of Rutherford County, Tennessee; provided, however, that no provisions in this Master Deed may be changed, modified, or rescinded so as to conflict with the provisions of the Act.

Section 4. Encroachment. It is understood that Units which adjoin each other and have a party wall built as a part of the original construction of the Units which is placed upon the dividing line between adjoining Units may encroach on such adjoining Units due to construction or other reasons. Accordingly, an easement is reserved for such encroachments as are contained in the buildings, whether the same now exist or may be caused or created by construction, settlement, or movement of the building, or by permissible repairs, construction, or alteration. With regard to any differences which may exist in the Plat, the actual party walls which exist on the property shall control over discrepancies in such plats.

If any portions of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portions of the Common Elements, or if any Unit shall actually encroach upon another Unit, as the Common Elements and Units are shown by the Plat, there shall be deemed to be mutual

easements in favor of the Owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

Section 5. Alterations, Additions, or Improvements. No alteration of any Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize and charge as common assessments alterations, additions, and improvements of the Common Elements as provided in the By-Laws.

Section 6. Decorating. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his own Unit and Limited Common Elements serving his Unit as may be required from time to time, including painting, wall papering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting, and other interior furnishings and fixtures. Drapes shall be lined to the satisfaction of the Board. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floor, and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the Rules and Regulations of the Association, but each such Unit Owner shall have the right to decorate such interior surfaces from time to time as he may see fit and at his sole expense. Decorating of the Common Elements (other than interior surfaces with the Units as above provided and other than of Limited Common Elements) and any redecorating of Units, to the extent such redecorating of Units is made necessary by damage to Units caused by maintenance, repair, or replacement of the Common Elements by the Association, shall be furnished by the Association as part of the common expenses. All windows forming part of a perimeter wall of a Unit shall be cleaned and washed at the expense of the Unit Owner of that Unit.

Section 7. Non-Liability of the Directors, Board, and Officers. Neither the Directors, Board, nor the Officers of the Association shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such Directors, Board, Officers, or Developer, except for any acts or omissions found by a court to constitute gross negligence or actual fraud. The Unit Owners shall indemnify and hold harmless each of the Directors, Board, and Officers, and their respective heirs, executors, administrators, successors, and assigns in accordance with the By-Laws.

Section 8. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property or any questions of interpretation or application of the provisions of the Declaration or By-Laws, the determination

thereof by the Board shall be final and binding on each and all such Unit Owners.

Section 9. Notices. Notices provided for in the Act, Declaration, or By-Laws shall be in writing and shall be addressed to the Association or Board, or any Unit Owner, as the case may be, at both the address of the respective Unit Owner of the Property and at the office of the Association. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him or to her (other than to his or her Unit) by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

Upon written request to the Association identifying the name and address of the holder, insurer, or guarantor and the Unit estate number or address, any such eligible mortgage holder or eligible insurer or guarantor will be entitled to timely written notice of the following:

A. Any condemnation loss or any casualty loss which affects a material portion of the project or any unit estate on which there is a first mortgage held, insured, or guaranteed by such eligible mortgage holder or eligible insurer or guarantor, as applicable.

B. Any delinquency in the payment of assessments or charges owed by an Owner of a unit estate subject to a first mortgage held, insured, or guaranteed by such eligible holder or eligible insurer or guarantor which remains uncured for a period of sixty (60) days.

C. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Owners' Association.

Section 10. Transfer of a Unit; Notice to Association; Right of First Refusal.

A. Restricted Transfers. A Unit Owner may sell, give, devise, lease, or otherwise transfer his Unit or any interest therein, to any person; however, this

right notwithstanding upon the entering into an agreement to sell, devise, lease, or similarly transfer his Unit, the Unit Owner must give notice of said transaction to the Association pursuant to the notice requirements of this Master Deed in paragraph C of this Section. Upon receipt of said notice, the Association shall for a period of thirty (30) days from the receipt of said notice have the right to enter into the transaction in its own name on the same terms set out in the agreement between the Owner and the other person. The Association shall exercise this right within said thirty (30) day period or the right is deemed waived and the Unit Owner may proceed to consummate the transaction with the other person.

B. Limit on Term of Lease. No Unit, or interest therein, shall be leased by a Unit Owner unless said lease is approved by the Board which approval shall not be unreasonably withheld. A copy of every such lease, as and when executed, shall be furnished to the Board. The lessee under every such lease shall be bound by and subject to all of the obligations, under the Declaration and By-Laws, of the Unit Owner making such lease, and the lease shall expressly so provide. The Unit Owner making such lease shall not be relieved thereby from any of said obligations. The Board shall be a third party beneficiary of any such lease and shall have the power to enforce its terms and conditions for the Association's benefit. The Board may establish a standard lease form, the terms of which shall be a prerequisite to the leasing of any Unit, and it shall be used exclusively by all Unit Owners.

C. Notice to Association of Certain Transfers. Whenever a Unit Owner shall propose to sell, give, devise, lease, or otherwise transfer his Unit, or any interest therein, to any person or entity, said Unit Owner shall give the Association not less than thirty (30) days' prior written notice of the proposed transfer, which notice shall briefly describe the type of transfer proposed by the Unit Owner and shall state the name and address of the proposed transferee. The notice shall also include a copy of the proposed lease, contract for sale, or other documents, if any, effecting said transfer. The Board shall be furnished a photocopy of the final executed lease and/or recorded deed.

D. Association's Right to Purchase at a Foreclosure Sale. The Board shall have the power and authority to bid and purchase, for and on behalf of the remaining Unit Owners, any Unit, or interest therein,

at a sale pursuant to a deed of trust or mortgage foreclosure, a foreclosure of the lien of common expenses under the Act, or an order or direction of a court, or at any other involuntary sale, upon the consent or approval of Unit Owners.

E. Financing of Purchase by Association. The Board shall have the authority to make such mortgage arrangements and special assessments proportionately among the respective Unit Owners, and other such financing arrangements as the Board may deem desirable, in order to close and consummate the purchase or lease of a Unit, or interest therein, by the Association. However, no such financing arrangement may be secured by an encumbrance on any interest in the Property other than the Unit, or interest therein, to be purchased or leased, and the percentage interest in the Common Elements appurtenant thereto.

F. Miscellaneous.

(1) A transfer or lease of a Unit, or interest therein, by or to the Board, the Developer, or the holder of any deed of trust or mortgage (or purchaser at foreclosure) on a Unit which comes into possession of the mortgaged Unit pursuant to remedies provided in such deed of trust or mortgage, or pursuant to foreclosure of such deed of trust or mortgage, or pursuant to a deed (or assignment) in lieu of foreclosure of such deed of trust or mortgage, shall not be subject to the provisions of this section. The provisions of this paragraph shall in no way impair the rights of a first mortgagee to any of the following:

(a) Foreclosure or take title to a condominium unit pursuant to the remedies provided in the mortgage, or

(b) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor.

Any resell, lease, or other use of the Unit after being acquired by said mortgagee shall be subject to the provisions of this Section.

The Association shall hold title to or lease any Unit, pursuant to the terms hereof,

in the name of the Association, or a nominee thereof delegated by the Board, for the sole benefit of all remaining Unit Owners. The Board shall have the authority at any time to sell, lease, or sublease said Unit on behalf of the Association upon such terms as the Board shall deem desirable, but in no event shall a Unit be sold for less than the amount paid by the Association to purchase said Unit unless Unit Owners owning at least fifty percent (50%) of the total ownership of the Common Elements first authorize the sale for such lesser amount.

(2) All notices referred to or required under this Section shall be given in the manner provided in this Master Deed for the giving of notices.

(3) The provisions of this Section with respect to the Association's right shall be and remain in full force and effect until the Property as a whole shall be sold or removed from the provisions of the Act, as provided therein, unless the provisions of this Section are sooner rescinded or amended by the Unit Owners.

(4) The Board may adopt Rules and Regulations from time to time not inconsistent with the provisions of this Section, for the purpose of implementing and effectuating said provisions.

(5) If any transfer or lease of a Unit is made or attempted without complying with the provisions of this Section, such transfer or lease shall be subject to each and all of the rights of, and remedies and actions available to, the Association hereunder and otherwise.

Section 11. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants, or rights created by this Declaration shall be unlawful, void, or voidable for violation of this rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the Governor of Tennessee, Don Sundquist.

Section 12. Rights and Obligations. Each Grantee of the Developer, by the acceptance of a deed of conveyance, accepts the

same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights, and powers created or reserved by this Declaration. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. Any restrictions or rules in the By-Laws which are more than administrative in nature, such as but not limited to reservations and future rights of the Developer, are hereby incorporated into and made a part of this Declaration by reference. All rights, benefits, and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, shall bind every person having at any time any interest or estate in said land, and shall inure to the benefit of such Grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners, Tenants, and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the By-Laws appended hereto and recorded herewith, pursuant to T.C.A. §66-27-111, as they may be amended from time to time. The acceptance of a deed of conveyance, devise, or lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the said By-Laws and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted, and ratified by such Unit Owner, Tenant, or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance, or lease, thereof.

The terms and conditions of the Declaration, By-Laws, and Rules and Regulations may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Unit Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of the Declaration, By-Laws, and Rules and Regulations may be considered as a default by the first mortgagee, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

Section 13. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with this respective

percentage of ownership interest in the Common Elements, and, in said event, such taxes shall be a common expense.

Section 14. Condemnation. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association. If a majority of the Board, in their sole and absolute discretion, approve the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board does not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on a fair and reasonable basis to the mortgagees directly affected by the condemnation and the balance to the Unit Owners directly affected. The decision of the Board as to fairness and reasonableness shall be binding upon all parties if such decision reasonably relates to the given facts.

If any Unit or portion thereof or the Common Elements or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, then the institutional holder of any first deed of trust or mortgage on a Unit will be entitled to timely written notice of any such proceeding or proposed acquisition, and no provision of any document establishing the Property will entitle the Owner of a Unit or other party to priority over such institutional holder with respect to the distribution to such Unit of the proceeds of any award or settlement.

Section 15. Remedies. In the event of any violation of the provisions of the Act, Master Deed, By-Laws, or Rules and Regulations of the Board or Association by any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit), the Association, or its successors or assigns, or the Board, or its agent, shall have each and all of the rights and remedies which may be provided for in the Act, Master Deed, By-Laws, or said Rules and Regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to sell the same as provided hereinabove and as provided hereinafter, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs,

attorneys' fees and other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the rate of eighteen percent (18%) per annum, or at the then highest contract rate of interest then legally collectible in Tennessee, shall be charged to and assessed against such defaulting Unit Owner and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of his respective share of the common expenses, upon the Unit and ownership interest in the Common Elements of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on which the said mortgage or deed of trust owner or holder accepts a conveyance of any interest therein (other than as a security) or forecloses the lien of its mortgage or deed of trust. In the event of any such default by any Unit Owner, the Board and the Manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default and to do whatever may be necessary for such purpose, and all expenses in connection therewith shall be and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified, or rescinded without the prior consent of all holders or record of mortgage and deed of trust liens against Units in the Building.

In addition to any other rights provided for in this Master Deed, the violation of any restriction or condition or regulation adopted by the Board, or the breach of any covenant or provision herein contained, shall give the Board the following rights: (a) To enter upon the Unit (either peaceably or forcibly without liability to such Unit Owner for such entry), or any portion of the property upon which or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing, or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate, or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit) shall violate the Act or any of the covenants or restrictions or provisions of this

Master Deed or the Regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of the said defaulting Owner to continue as a Unit Owner and to continue to occupy, use, or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use, or control the Unit owned by him on account of said violation and ordering that all the right, title, and interest of said defaulting Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees, and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any liens, shall be paid to said defaulting Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements and to immediate possession of the Unit sold, and such purchaser may apply to the court for a writ of assistance for the purpose of acquiring such possession; and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit ownership sold subject to this Master Deed. An aggrieved Unit Owner or first mortgagee may bring an action in law or equity to require the enforcement of this Master Deed and the By-Laws by the Board, or may bring an action to enjoin or specifically require a party to perform what is required of him or it hereunder.

As one of its remedies in the event the Board finds that there is excessive noise in one Unit which it characterizes to be a nuisance, the Board may require that walls and/or floors between the Unit wherein the excessive noise originates and adjacent Units be insulated at the sole cost of the Unit Owner of the Unit wherein the excessive noise originates, and the cost thereof shall be deemed to be a maintenance expense allocable solely to the Unit Owner of the Unit wherein the excessive noise originates and shall be assessed against the Unit Owner. The Board may cause such insulation to be installed without the consent of the said Unit Owner, and work may be done on or about such Unit wherein the excessive noise has originated, as an easement through and over Common Elements for such purpose.

Section 16. Arbitration. Any and all disputes of any type between the Developer and any Unit Owner or other person or between the Unit Owners which is not resolved by the Board shall be resolved arbitration in accordance with the rules of the American Arbitration Association.

IN WITNESS WHEREOF, the said Developer has caused its name to be signed to these presents by its duly authorized officials, this 29 day of March, 1995.

Section 5. Resignation and Removal. Any officer may be removed from office with or without cause by the Board. Any officer may resign at any time giving written notice to the Board, the president, or the secretary. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein; and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 6. Vacancies. A vacancy in any office may be filled by appointment by the Board. The officer appointed to such vacancy shall serve for the remainder of the term of the officer he replaces.

Section 7. Multiple Offices. The offices of secretary and treasurer may be held by the same person. No person shall simultaneously hold more than one (1) of any of the other offices except in the case of special offices created pursuant to Section 4 of this Article.

ARTICLE IX

COMMITTEES

The Board may appoint committees such as Architectural Control Committees and Nominating Committees or any other committees deemed appropriate in carrying out its purpose. In addition, the Board of Directors shall appoint other committees as deemed appropriate in carrying out its purpose.

ARTICLE X

ASSESSMENTS

Section 1. Obligation for Assessments. As more fully provided in the Declaration, each member is obligated to pay to the Association annual and special assessments which are secured by a continuing lien upon the property against which the assessment is made. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at eighteen percent (18%) per annum and the Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property; and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Unit.

Section 2. Annual Budget. The estimated annual budget

for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year as shown by the annual budget. Such proportionate share for each Unit Owner shall be in accordance with his respective ownership interest in the Common Elements. The Board may determine different allocations with respect to a part of such charges whenever it appears to the Board that such an allocation would be unfair. The allocations shall be applied uniformly to all Owners of like situations. The allocation of the Board shall be final and binding upon all parties. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined.

Section 3. Partial Year or Month. For the first fiscal year, the annual budget shall be as approved by the First Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with

the date of occupancy of his Unit, each Unit Owner shall pay his assessments for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be as computed by the Board.

Section 4. Annual Report. Within forty-five (45) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year so ended showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 5. Supplemental Budget. In the event that during the course of any year it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 6. Expenditures. Except for expenditures and contracts specifically authorized by the Declaration and By-Laws, the Board shall not approve any expenditure in excess of Two

Thousand Five Hundred Dollars (\$2,500.00) unless required for emergency repair, protection, or operation of the Common Elements, nor enter into any contract for more than three (3) years without a ninety (90) day cancellation clause without the prior approval of two-thirds (2/3) of the total membership of the Association and without securing consents of mortgagees, if necessary.

Section 7. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the property or the Common Elements, rather than a lien against only a particular Unit ownership. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorney's fees, incurred by reason of such lien.

Section 8. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use, and account of all the Unit Owners in the percentages of the Unit Owners as from time to time existing.

ARTICLE XII

INDEMNIFICATION

Section 1. General. The Association shall indemnify and hold harmless each of its directors and officers, each member of any committee appointed pursuant to the By-Laws of the Association, and the Board against all contractual and other liabilities to others arising out of contracts made by or other acts of such directors, Board, officers, or committee members on behalf of the Unit Owners or arising out of their status as directors, Board, officers, or committee members, unless any such contract or act shall have been made in clear violation of the Declaration or these By-laws, or fraudulently, or with gross negligence or criminal intent. It is intended that the foregoing indemnification shall include indemnification against all costs and expenses (including but not limited to counsel fees, amount of judgments paid, and amounts paid in settlement) reasonably incurred in connection with the defense of any claim, action, suit, or proceeding, whether civil, criminal, administrative, or other in which any such director, officer, Board, or committee member may be involved by virtue of such persons being or having been such director, officer, Board, or committee member; provided, however, that such indemnity shall not be operative with respect the following:

A. Any matter as to which such person shall have been finally adjudged in such action, suit, or proceeding to be liable for gross negligence or fraud

in the performance of his duties as such director, officer, Board, or committee member.

B. Any matter settled or compromised unless, in the opinion of independent counsel selected by or in a manner determined by the Board, there is not reasonable ground for such persons being adjudged liable for criminal (i.e. a felony) acts, or clearly violating the Declaration or these By-Laws, or for gross negligence or fraud in the performance of his duties as such director, officer, Board, or committee member.

Section 2. Success on Merits. To the extent that a member of the Board of Directors, or an officer of the Association, or a member of any committee appointed pursuant to the By-Laws of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Section 1, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him in connection therewith.

Section 3. Advance Payment. Expenses incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Association in advance of the final disposition of such action, suit, or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking satisfactory to the Board by or on behalf of the person or entity seeking such indemnification or payment in advance to repay such

amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article.

Section 4. Miscellaneous. The Association and the Board shall have the power to raise and the responsibility for raising, by special assessment or otherwise, any sums required to discharge its obligations under this Article; provided, however, that the liability of any Unit Owner arising out of any contract made by or other acts of the Directors, Board, Officer, or members of such committees, or out of the aforesaid indemnity in favor of the directors, Board, officers, or members of such committees, shall be limited to such proportion of the total liability hereunder as said Unit Owner's percentage of interest in the Association bears to the total percentage interest of all the Unit Owners in the Association. Every agreement made by the directors, Board, officers, members of such committees, or by the Managing Agent on behalf of the Unit Owners shall provide that the directors, Board, officers, members of such committees, or the Managing Agent, as the case may be, are acting only as agents for the Association and shall have no personal liability thereunder (except as expressly set forth herein), and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his percentage of interest in the Association bears to the total percentage interest of all Unit Owners in the Association. The indemnification provided by this Article shall not be deemed

exclusive of any other rights to which those seeking indemnification may be entitled under any statute, agreement, vote of members of the Association, or disinterested members of the Board of Directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. Such right to indemnification shall continue as to a person or entity who has ceased to be a member of the Board of Directors, officer of the Association, or a member of such committee and shall inure to the benefit of the heirs, executors, administrators, successors, and assigns of such person or entity. In no event shall this indemnity exceed coverage occasioned by officers' and directors' liability insurance coverage which the Association shall be required to carry and maintain to the extent that the same is reasonably available in the marketplace.

ARTICLE XIII

AMENDMENTS

Section 1. These By-Laws may be amended at a regular or special meeting of the members by a two-thirds (2/3) majority vote of a quorum of the Members present in person.

Section 2. In the case of any conflict between the Articles on Incorporation and these By-Laws, the Articles shall control; and in the case of any conflict between the Declaration and these By-Laws, the Declaration shall control.
