10-YEAR LERTA

Hazleton Creek Commerce Center benefits from the Local Economic Revitalization Tax Assistance (LERTA) program. This program was created by the Pennsylvania Department of Commerce to help spur economic development in Pennsylvania. The LERTA program specific to this property was enacted by all taxing authorities to provide a 100% abatement on the value of the improvements for a 10-year period.

The estimated real estate tax savings for Building 4 (1,400,000 SF) are \$15.4 million (\$10.97/SF) over the life of the program.

Notes:

- (2) Improvement real estate taxes are based off comparable buildings within Luzerne County.
