

411 SOUTH BLVD

+/- 21,179 SF ADAPTIVE REUSE
OFFICE BUILDING

4111 SOUTH BLVD

The building consists of a 21,179 sf renovation of two relocated aircraft hangers along a major corridor in Charlotte's Lower South End. The layout of the property includes large open work areas that utilize natural light through curtain wall and Kal-Wal systems. The exposed trusses and roof decking are illuminated and finishes include high-end glass, ceramic tile, reclaimed wood, exposed concrete floors and specialty carpets to create a clean "New Age" office space.
