SITE OVERVIEW

634 DAVIS ST, EMPORIA, VA

SITE HIGHLIGHTS

Site & Development Overview

- **40 acres immediately pad-ready** with no additional site work required
- Additional buildable **70 acres developable for future expansion**
- Pad-ready site for Flexnode installation, enabling rapid deployment
- Fully approved by the City of Emporia and Greensville County
- **Industrial zoning (I-2)**

Infrastructure Summary

- Virginia power legislation compliant — gas generation capped at 25 MW
- **25 MW modular primary power with 12.5 MW of existing electric service as backup**
- Facility can be operational in under 2 years
- **Fuel: Private 3.75-mile natural gas pipeline (private wholesaler)**
- **Cooling: 1 MGD water/sewer capacity, suitable for liquid-cooled AI workloads**
- **Foundation: Heavy-duty concrete lumber pads already in place**
- Data: Tier 1 fiber crossroads offering ultra-low latency to Ashburn and global networks

Location & Connectivity

- **Immediate access to I-95 and US-58**
- Strategically positioned between major MSAs: Richmond, Hampton Roads, and Raleigh-Durham
- VEDP Certified Site located within an Opportunity Zone and Enterprise Zone
- 90 miles to Port of Virginia (Norfolk International Terminals), 62 miles to Richmond Marine Terminal (RMT)
