Over 4000 square feet of versatile retail or office space is available in Central Akron, situated along the highly traveled E. Market Street. Ideally located just minutes from Summa Health, I-77, and Route 8, this first-floor space offers effortless accessibility with no stairs and abundant on-site parking. Designed to adapt to a wide range of uses, the space can seamlessly continue as a barber shop, barber school, salon, or nail spa, with all existing equipment remaining in place if desired. Alternatively, the equipment can be removed to accommodate a completely different vision—such as an office, daycare, or other commercial concept. Whether you're looking to lease or to purchase the existing business along with all equipment, this property offers exceptional flexibility and endless potential for its next owner or operator.
