

Tenant Testimonials

Congaree Suites felt like a home away from home during our time there. The owner is someone who cares about people and genuinely strives to create a comfortable environment for tenants. It feels good to know there's someone who actually is there to take your call if there's ever a problem or a need, and that's the experience we had for years in the building.

Renting a suite at Congaree Suites has truly been an amazing experience. Jennifer, the owner, is not only an innovator but a hands-on leader who genuinely cares about her tenants. I've been here since June 2025, and I couldn't be happier with my office space or the level of responsiveness and support she provides. From day one, it felt welcoming, professional, and intentional. Getting a suite here honestly feels like coming home to your office. If you're looking for a space where excellence, care, and community meet—Congaree Suites is it.

“I've been renting office space from Jennifer for around 7 years. It has been perfect for me. Congaree Suites is in a fantastic central location for Greenville, Greer, and Simpsonville. I love my office- it's comfortable and peaceful. I find the other renters to be good people who have rented for a while. And Jennifer is a fantastic Landlady, very thoughtful and responsive, and respectful of her tenants.”
