W 7TH STREET
LOS ANGELES • CA 90057

FOR SALE
±20,500 SF OFFICE & RETAIL BUILDING

Located in the vibrant MacArthur Park district just west of Downtown LA, 2500 W 7th Street offers ±20,500 SF of restored retail and creative office space across two floors. This architecturally distinctive building features ground-floor retail units with street frontage and high ceilings, and bright, open-layout office suites on the second floor with abundant natural light. Surrounded by a dense mix of residential and commercial activity, the property combines historic charm with modern upgrades—ideal for boutique retailers, creative users, and professional services looking for a high-visibility, centrally located space.

Located just west of Downtown Los Angeles, MacArthur Park is undergoing a dynamic transformation, offering an exciting opportunity for office and retail tenants looking to position themselves at the heart of an evolving urban community.

Long known for its historic charm, cultural vibrancy, and proximity to the city center, MacArthur Park is benefiting from renewed investment and revitalization efforts. Major redevelopment projects, infrastructure improvements, and an influx of new businesses are breathing fresh life into the area, drawing interest from creative firms, boutique retailers, service providers, and entrepreneurial ventures alike.

For office tenants, MacArthur Park offers flexible layouts ideal for creative users, professional services, and small businesses seeking cost-effective, centrally located space. For retailers, the growing pedestrian traffic, historic storefronts, and proximity to residential developments make it an increasingly attractive place to build a loyal customer base.

While the area retains its culturally rich character, there is no doubt that MacArthur Park is in the midst of a promising new chapter. Forward-thinking tenants who invest in the neighborhood now will be well-positioned to grow alongside it.
