**Property Description**

Built in 1937, at the height of the Street Car industry in Benson, this building eventually became a Drug Store, through the 1950's & into the 1960's, complete with a Soda Fountain against the W wall of the building! After several years as a Bar/Tavern, it was acquired by the current family ownership in 1980 and served many years as their 'display/sales' floor for the burgeoning plumbing business. Most recently, it has been rented out to retail store operators. As the owner prepares to retire at his tender age, they have decided to 'release' this wonderful building to the Entrepreneurs currently re-fashioning Benson as a destination entertainment center & diverse cuisine with great 'walkability' (walkability score 69).

# BUILDING/ Benson Opportunities

**For Sale: \$575,000**

**6016 Maple St**

**Omaha, NE 68104**

The Benson retail district is experiencing a strong resurgence, quickly re-establishing itself as one of Omaha's favorite hangout destinations for entertainment & diverse cuisine. With increasing foot traffic, new investment, and a growing mix of creative shops and eateries, the area has become a hotspot for both locals and visitors. This momentum creates excellent opportunities for experiential and community-focused businesses — such as painting or pottery studios, cooking classes, boutique coffee cafés, and other hands-on retail concepts — all of which would thrive alongside the already successful neighboring businesses. Benson's renewed energy makes it an ideal place for fresh ideas to flourish.

## 6016 Maple Street: Key Historical Context

- **Benson's Origins:** The Benson neighborhood, where this address is located, was platted in 1887 by Erastus Benson and later annexed by the city of Omaha in 1917.

- **Architectural Significance:** The area features buildings from the late 1800s to the mid-1950s, reflecting styles from Queen Anne to Moderne, and 6016 Maple Street is part of this established commercial landscape.
