WHAT MAKES SERENDIPITY LABS DIFFERENT

Professional Environments

Sophisticated furnishings, frosted glass walls, spacious offices, and a strategically designed footprint creates the atmosphere professionals desire.

Security & Compliance

Our infrastructure enables our corporate customers to meet organizational security and compliance standards for their respective industries, including PCI-DSS, HIPAA, SOX, GLBA and others.

Centralized Billing

Monthly billing statements and usage reports to facilitate proper accounting of total spend from membership dues, service packages, workspace reservations and incidentals.

Wireless Infrastructure

We utilize enterprise grade Wi-Fi and network infrastructure, with industry-leading Wireless Intrusion Prevention System. The system we deployed is powering Fortune 500s, Global 2000s and the highest levels of government including Defense.
